## DEDICATED IN MEMORY

TO

LUTHER A. NALL

Rev. Luther Nall was born in Chatham County but later moved to Burlington N.C. In 1933, as a young student pastor at Elon, he rode the streets of a neighborhood called "Pinetop" in search for a suitable location for a preaching ministry. The Lord led Luther Nall to an open field facing the old Alamance Fairgrounds where a grammar school had been built. On this lot, some neighborhood boys, the Kinney brothers among them, helped him build the first structure that was named Pinetop Baptist Church. The church's name was later changed to Calvary Baptist Church. For the next forty years, Brother Nall pastored the church seeing the membership grow from 28 to 650. Rev. Nall had 30 decisions for preaching and mission work during his pastorate and three of those making decisions went on to receive their doctorates. For fourteen years, he had a regular radio program.

Brother Nall had extensive educational experience. In 1928, he entered Elon College and earned a B.A. degree in religion. He also attended Mars Hill College, Mars Hill, N.C., Campbell College, Buies Creek, N.C., and Southern Baptist Theological Seminary at Louisville, Ky.

Luther Nall loved the work he did for God and his people. He had the deep conviction that "God's man in God's place, in God's time, doing God's will cannot fail." Regarding his work at Calvary Church, he said, "I have found the work here at Calvary to be easy".

He served Christ beyond the local Church as a past president of Burlington Alamance County Ministerial Association and as a former moderator of Mount Zion Baptist Association. His interest and concern for his fellow ministers was always in evidence.

He was the husband of the late Beatrice Oliver Nall and Mrs. Bessie Woody Nall, who survives at the home.

We, the members of the Mt. Zion Association, will miss Brother Nall and would be most sorrowful were it not for our knowledge of the bountifulness of heaven and our confidence that he is receiving the wonderful rewards God had in store for him.

### THERMOMETER OR THERMOSTAT??

I am grateful for this opportunity to share some urgent concerns.

Southern Baptists have "officially" adopted BOLD MISSION THRUST as a strategy for doing God's will in the next 25 years. The goals and objectives are simple, challenging and I believe, God inspired. They are: to confront everyone in the world with an opportunity to accept Christ and to provide an opportunity for those who do, to be a part of an evangelical fellowship. Space will not permit a full explanation of how these goals came into being, but take my word for it, they were not dreamed up, they were prayed down! Every facet of Baptist life is being mobilized to reach these goals by the year 2000. For the first time since Crhist came, we have the technical capability of confronting every prson with the gospel. There is a sense of the "fullness of time" that pervades this endeavor. The number of career missionaries and pastors needed

for this undertaking, challenges our imagination, but God is ahead of us, because He has already called people in such numbers that our seminaries are overflowing. The magnitude of the task is such that career ministers and missionaries could never do it, but God is awakening us to the fact that all Christians are ministers and through lay renewal, more and more of our people are discovering how God expects them to use their talents and abilities. We are beginning to see less church work and more of the church at work. The spiritual victories of the past few years have not gone unnoticed by our foes, and we cannot expect the forces of evil to give up easily. They have redoubled their efforts and now, hard and better struggles are going on in many of our churches. Pastor-people conflicts have sprung up rapidly in our association, state and Southern Baptist Convention. We need to get some insight as to why these conflicts have multiplied so rapidly.

Since the early fifties, there has been an increasing flow of industry and population into the Southern Sun-belt states. This has brought with it a greater diversity of cultural, ethnic, economic and racial life styles. For a while, our churches resisted including these social and cultural "foreigners". Incidentally, this may help to explain why church people quit visiting and trying to reach people. However, today, the average Baptist Church has a mixture of social, cultural and theological life styles and it is much more difficult to please such a diverse group.

Our lack of interest in reaching people also produced declining church and Sunday School rolls. Sunday School and worship attendance have been our yardsticks for measuring success and our obvious failures in the past decade have resulted in trying to change pastors or in emphasizing financial gains which are basically the result of inflation, rather than better stewardship. Short pastorates have been another result of this set of circumstances. Churches have called a pastor, expecting him to have a program that will get the church on the move. This may work until the church tires of doing "his" program and are ready for him to move.

Add to all this, the problem of leadership struggles when new people come into a church, and the reason for many church conflicts comes into focus.

What can be done about this situation? First, examine what you are doing. Petitions to vote a pastor out, or word campaigns against him or his work, damage the church as much, if not more than do the pastor. If you want to get rid of the pastor, pray for him and ask others to join you. God will move him or you, or reconcile the two of you.

Try to lead the church as a body to define its goals. Answer the question, "What does God want my church to do?" Help the church to develop "her" program. The people will feel it is theirs and try harder. The pastor will then try to implement "their" program.

Learn to evaluate a pastor on his faithfulness to his call and work. How can you measure the spiritual growth of a church or person? Besides, God expects all His people to be faithful. He determines the success or failure of our efforts.

Plan for the renewal of the church membership. Too many of us are trying to do God's work without God. The journey inward to spiritual renewal must take place before the journey outward to reach others. Discover the values of renewal evangelism.

Outreach has always been a major focus of Sunday School. Enlarging the Sunday School is still the easiest and best method for enlarging all the church organizations. Baptists finally have a strategy for enrolling people in Sunday School. The ACTION program is a sound, workable program. Whether or not your church uses it, you should consider adopting the idea of reaching people where you meet them. "As you go into all the world - make disciples..." There is nothing quite so foolish as boldness without adequate resources. There is nothing quite so rewarding as boldness that is God inspired and God empowered.

We have a choice of simply registering the temperature of our times or changing it. God help us to be THERMOSTATS!

Respectfully submitted,  
Charles L. McMillan, Jr.  
Superintendent of Missions

## MUSIC

"Make His Praise Glorious" is the aim of every choir in the Mount Zion Association. Our music has been of exceptional quality this year, especially the music for Mount Zion Associational Meetings.

Our Regional Choir Festival in February of 1976 at First Baptist Church of Graham, was well attended. Other activities included attending the PraiSing at Owens Auditorium in Charlotte, North Carolina Baptist Church Music Conference, participation in the Music Clinic sponsored by Singspiration, Inc. and attendance at the Church Music Methods Clinic at Durham.

My deepest appreciation goes to each young person who participated in "Living Witnesses" this summer.

It is a pleasure to work and fellowship with the people of God in the area of church music. Thank you for your support and co-operation during the years I've served as Music Director for the Mount Zion Association.

Respectfully submitted,  
Margaret Cantrell, Director  
Associational Music

## EXECUTIVE COMMITTEE REPORT

The Executive Committee of the Mt. Zion Baptist Association met at its regular quarterly meeting, January 12, 1976. Reports were given by the officers and committees. The finance committee noted that \$3000 of a \$6000 loan had been repaid to Kinnett Memorial Baptist Church, and the request was made to extend the loan of the remaining \$3000 until June 30, 1976. This was approved. It was also voted to borrow \$1500 for operating expenses from the First Union National Bank of Graham for a period of 90 days.

On April 12th, the Executive Committee met and recommended that Rev. Ralph Jones serve as Mt. Zion's representative on the General Board of the State Convention. Three alternates were also named in accordance with the request of the convention's nominating committee. They were; Charles Lemley, Johnny P. Greene, and Freeman Cooper.

The finance committee reported that \$500 of the \$1500 operational loan had been repaid. It was voted to renew the remaining \$1000 for a period of 90 days.

Meeting at the Chapel of the First Baptist Church of Graham on July 12th, the Executive Committee approved the mission committee's recommendation to submit applications for pastoral aid to the Baptist State Convention for Oak Grove, Holly Hill, North Graham, and Glencoe churches.

The finance committee asked for approval to renew the \$1000 loan at First Union National Bank for an additional 90 days, and to borrow \$1500 more for operational expenses as needed. The committee also recommended the changing of the financial year from October through September to January through December. After discussion this was passed and the constitution committee was asked to make appropriate recommendations of constitutional changes.

At the final meeting, October 11th, the finance committee noted that the final \$3000 of the renovation loan on the Emergency Home had been paid June 30, and that it had not been necessary to borrow the additional \$1500 approved in the July meeting. Permission was requested to borrow \$1000 to renew the note at First Union National Bank if this is needed when the note comes due at the end of November. This was approved. A copy of the budget was presented and adopted.

The missions committee presented requests for pastoral aid from Colonial Hills and Fellowship churches. The executive committee approved the action of submitting the requests to the state convention.

Information was given concerning the up-coming annual meeting and reports of the organizations and committees were also presented.

Respectfully submitted,  
Freeman Cooper, Clerk  
Gerald Dickerson, Moderator

## HISTORY

### HISTORY OF COLONIAL HILLS BAPTIST CHURCH

People are variously affected by the sight of crowds. In a day of violence such as that through which our nation has just passed, unusual gatherings arouse suspicion so that protective forces are called into play. The ordinary "in the street" crowd may simply excite curiosity. But for Jesus, the sight of crowds aroused compassion. Matthew, for example, gives us this report: "But when He saw the multitudes, He was moved with compassion for them, because they were distressed and scattered, as sheep not having a shepherd." (Matthew 9:36) The fact is that so long as danger stalked the path of just one, Jesus revealed His shepherd heart.

So, when the people of the Fairview Baptist Church of Hillsborough, N.C., really saw the population of the Colonial Hills section of that same area, they were "moved with compassion." Besides the lurking dangers of static indifference and unbelief, exploiters of emotion and spirit were, as usual, posing as possible threats. The people of Colonial Hills needing shepherding and a dream began to form in the heart of the Fairview Baptist Church. In 1971, the church took action and voted to begin the construction of a building, which was completed in 1973. On Easter Sunday morning of that year, April 22, 1973, the first service in the new structure was held.

It was not until July, however, that the Colonial Hills Baptist Mission was officially opened. July 15-22, 1973, was revival time there with the services being led by members of the mother church along with a team of students then at work in the Mt. Zion Baptist Association. During this week, about two dozen people united with the Colonial Hills Mission as charter members. The Reverend Mr. Bill Farrar preached the closing message in that series of meetings, July 22, 1973, and was called to serve as Interim pastor. Mr. Farrar resigned in October to resume his academic studies. It was later in that same month that the Reverend Mr. Monty Fox was called as Interim pastor of the Mission, serving only briefly before answering the call to become full time pastor.

From its beginning, the Colonial Hills Baptist Church has maintained three worship services and Sunday School each week. It has had an active Baptist Women's organization and an active youth program as well as Vacation Bible School each year.

Pastor Monty Fox recently wrote: "The Colonial Hills Baptist Mission was begun for the purpose of Christian worship and preaching, Christian education, Christian witness and Christian ministry to the people of Colonial Hills section of Hillsborough, North Carolina. Today, July 25, 1976, at three o'clock in the afternoon, we resolved that Colonial Hills Baptist Mission be constituted into the Colonial Hills Baptist Church for the purpose of continuing to meet these objectives for which it was established."

### MISSIONS COMMITTEE REPORT

The work of the Missions Committee this year has been interesting and varied. We are pleased to report that the final \$3000.00 on the renovation of the Emergency Home was paid June 30. We have a little more than two years remaining of the present

five-year lease with options to renew, but we now have strong support from the Children's Homes for a permanent facility and we need to give our attention to finding a new and more adequate site and constructing a permanent facility. We are deeply grateful to Donna Lail, Director; Don and Gwen Phillips, Houseparents; and Janice Baldwin, cook and housekeeper; for their work at the home.

Travis Styles, our Youth and Family Director, moved to Raleigh to assume another pastorate during the year and he has not yet been replaced. We will make recommendations concerning this work later in the report.

Becky Brooks, a student at Southern Seminary in Louisville, Ky., was employed this past summer on a grant from the Metropolitan Missions Department of the State Convention, to help us study some of our churches in changing areas. A portion of this study will be shared in our verbal report. One of the major accomplishments of this study was the development of a survey instrument that each church can use in an effective self-study.

Your Missions Committee spent one Saturday touring the Association and taking note of mission needs and opportunities. We recommend this as an interesting and eye-opening tour for all Mt. Zion Baptists. We visited the New Hope Camp just off Highway 86, between Hillsborough and Chapel Hill and were impressed with the opportunities for Mt. Zion Baptists to use this facility.

We have processed pastoral aid applications from Oak Grove, North Graham, Glencoe, Holly Hill, Colonial Hills and Fellowship, for the calendar year of 1977.

Under Mrs. Hudson's guidance, the puppet ministry has been growing very rapidly. We now have an Associational team composed of 10 young people and 2 young adults from 5 churches. The team averages presenting about one program a week. The emphasis still remains to help churches develop their own puppet ministry and puppet-making clinics are being held as requested.

We were able to schedule devotional services each Sunday morning during the summer at Sawyer's Family campground near Snow Camp, using various churches.

Plans have been made for the **WORLD MISSION CONFERENCE** for November 6-13, 1977. We now have over 30 churches committed to participate and we hope to have 100% by January 1, 1977. We also appreciate the way money has been coming in for the **WORLD MISSION CONFERENCE**.

The Missions Committee would like to make the following recommendations for the 1976-77 Associational year:

I. That the puppet ministry be budgeted and become a regular part of the Associational Ministry.

II. That we begin a comprehensive family-life program for the purpose of improving the quality of family life in the Mt. Zion Associational area. The program would be under the direction of the new Youth and Family Director. There would be three distinct phases, Prevention, Enrichment, and Crisis Intervention.

**PREVENTION:** Seek to prevent bad marriages and divorces by providing Association-wide programming for young people prior to marriage. This programming should offer help in finding and choosing a marriage partner or choosing the single life; money and marriage; marriage and personal goals; adjustments in marriage, etc.

**ENRICHMENT:** Encourage churches to provide family enrichment studies using materials available through the literature service and the Church Training Department of the convention. The Association will provide training for age-group leaders for these studies. We would also encourage family retreats and more church programming in which the family can participate as a family.

**CRISIS INTERVENTION:** Provide local training for pastors (in the Associational office) in Marriage Counseling and also counseling supervision where desired. Also provide referral counseling from a Christian perspective on a limited basis in the Associational office. This professional help would be made available through a working agreement with the Baptist Hospital Pastoral Counseling Department. It would involve a commitment of \$2000.00 for the year 1977.

III. Recommendations concerning Bold Missions: The study of Associational churches, completed this past summer, with the help of the Metropolitan Missions Dept. of the N.C. Convention, reveals some sobering but helpful data.

1) In terms of people programs (Worship services, Sunday School, Church training, WMU, and Brotherhood), we are actually reaching just a few more people than we were ten years ago.

2) Graphs made of each church's progress (or lack of it), in these people programs, indicates a very close relationship of each program to the total Sunday School enrollment.

3) An Axiom emerges: The simplest (and perhaps the best) approach to enlarging the outreach of all our people programs is to enlarge the Sunday School enrollment.

4) We would therefore join with the Sunday School Department in encouraging each church to consider carefully the possibility of using the ACTION SUNDAY SCHOOL program next year. An even better alternative might be to have an Associational-wide ACTION program in the late spring or early summer.

IV. We recommend that the Association engage in earnest prayer concerning these pressing needs:

1) For our WORLD MISSIONS CONFERENCE November 6-13, 1977.

2) Additional Part-time secretarial help at the Associational office.

3) Enlarging the Associational office to provide office space for the Director of the Emergency Home and a part-time Counselor from Baptist Hospital.

4) Provision of Retreat-Camping facilities or opportunities for Associational needs.

5) Provision of a permanent Emergency Home Facility in a more adequate and appealing location.

Respectfully submitted,  
Johnny P. Greene, Chairman  
Associational Missions Committee

## SUNDAY SCHOOL REPORT

For any program to be a success, planning must be done and it seems that the greater the planning, the greater the success.

Recently, a "Paster-Director" workshop was held at the First Baptist Church in Mebane. This was an effort to help the Pastors and Sunday School Directors "plan for results." Thirty eight people attended this workshop with twenty-two churches represented. Surely this will help us meet our commitment to the Lord's ministry.

There will be another of these workshops held on August 15, 1977. I would like to urge all Pastors and Directors to take advantage of this session in order to help plan their future work.

Now, let us think of our responsibility of reaching people. Every church should be deeply concerned about this. The question arises then, what can we do about it?

One plan has recently been offered by the Convention that has the promise of being the most outstanding "tool" we have ever used. That is the "ACTION" plan. It was originated by E.S. Anderson when he was pastor of Riverside Baptist Church in Fort Myers, Florida. In two and one-half years, the Sunday School grew from 1000 to 4000. The attendance increased accordingly. The "ACTION" plan has since produced results that were nothing short of miraculous at many other churches.

The "ACTION" program is now available to all our churches. If your church needs to consider some type of outreach program, it would be well to consider the "ACTION" program first.

There is a need in all our churches for teacher training. There will be a "Teaching-Learning" activity at the First Baptist Church of Graham, November 1 and 2 for the Preschool and Children's workers in Sunday School. In February, there will be a similar training opportunity for Youth and Adult Sunday School workers. These will be of special value to the churches planning to use the "ACTION" program.

Respectfully submitted,  
James Taylor, Sunday School Director

## CHURCH TRAINING REPORT

Have you heard about the big 100,000 Campaign? It's a major thrust to enroll 100,000 new members in Church Training from January through April, 1977. The 100,000 Campaign has two purposes, to involve more of our church members in Christian growth through Church Training and to honor Dr. Philip Harris upon his retirement as Secretary of the Church Training Department in Nashville.

Two brochures are available from the State Church Training Department to explain the Campaign. Free materials include streamers, Bible bookmarkers, special enrollment forms and summary sheets.

This next year is the time for us to turn the tide for Church Training. There has been a growth in the adult area for the last two years. Let's make 1976-77 a landmark year in Church Training. We can do it through prayer, dedication and hard work.

## BROTHERHOOD

The 1975-1976 year has been an eventful one in Mount Zion. We have made some progress. It was possible for the Association to have six training sessions during this year. The participation was good but many churches did not have representation at these sessions. We are praying that 1976-1977 will be much better for our men and boys' work. We are challenging our forty churches to enlist at least 600 boys and 600 men. This is a minimum challenge. Every church should have at least a Brotherhood Director.

"Every man and boy is either a missionary or mission field." All that it requires for evil to succeed is that good men and boys (Christian men and boys) do nothing!

There is spiritual renewal in the pew. This renewal has brought about an awareness to men and boys of their responsibility in ministry and witness-missions. It is not the State Convention's mission, nor the Southern Baptist Convention's, nor your church's, nor yours, it is God's mission. When we give as little as a cup of cold water in His name, then we become involved in His mission and that is missions. This is the work of THE ASSOCIATIONAL BROTHERHOOD.

We deeply appreciate all you do. We need your continued prayers and support.

Respectfully submitted,  
H.G. Foster, Director  
Associational Brotherhood

## TIME, PLACE AND PREACHER

The Time, Place and Preacher Committee recommends that the 108th Annual Meeting of the Mt. Zion Baptist Association be held on Tuesday, October 18, and Wednesday, October 19, 1977.

The Committee recommends that the Tuesday morning session be held at the West Hill Baptist Church in Hillsborough, the Tuesday evening session at the City Lake Baptist Church, Burlington, and the Wednesday morning session at the First Baptist Church of Elon at Elon College.

The committee further recommends that the Annual Sermon be brought by Elmer Joyner with W.T. Cockman as alternate, and that Earl Epperson bring the doctrinal sermon with Roger Aycock serving as alternate.

Respectfully submitted,  
W.T. Cockman, Chairman  
Time, Place and Preacher Committee

## ORDINATIONS

The Ordinations Committee of the Mt. Zion Baptist Association was not asked to examine any candidates for ordination during the year 1975-76.

Respectfully submitted,  
M. Christopher White  
Chairman, Ordinations Committee

### WOMAN'S MISSIONARY UNION 1975-76

Woman's Missionary Union has emphasized "Training in Mission Education" this year and highlighted one age level, Baptist Young Women. The tasks of WMU have been expanded to add two new concepts. Our first task is still to Teach Missions but the concept of spiritual growth or development has been added to the Teach Missions task. Direct evangelism has been added to Task 2 making it now read : Engage in Mission Action and Direct Evangelism.

Our Baptist women formed an associational organization this year for the very first time with the following composing their first Council:

Mrs. H.D. Booth, BW Director  
Mrs. Frank Kelly, Asst. BW Director  
Mrs. Thomas G. Long, Secretary

At our BW Prayer Retreat on October 25, 1975 Mrs. Gilmer Cross, our state WMU President, led the Bible Study and Vickie Estes led prayer periods, with 17 churches participating. The mission book, "Tomorrow Starts Today" was taught by Mrs. Booth and Mrs. Kelly during February at three churches with ten churches joining in the study.

Baptist Young Women heard Lee Keck, our Journeyman from Japan, and Dr. Charles Petty, Director of Christian Life and Public Affairs of the Baptist State Convention during the year. We are proud to welcome a new organization this year at Cane Creek with Jenny Bryant as their first president. Sharon Frizzell, BYW Director, is presently serving on the state level as an approved worker for this age-level.

Our Acteens held a PraiSing in October with Vickie Estes, our Journeyman from Hong Kong, sharing her experiences. They were challenged at their February banquet as Miss Jolene Ivey, state Acteens Director, brought a message on "Let Christ's Freedom Ring".

Our G.A.'s held a sleep-in again this summer at Burlington First. There was fun, games, a fashion show, movie, puppets and a missionary emphasis led by our own Superintendent of Missions, Rev. Charles L. McMillan.

Miss Pat Ritchie, state MISSION FRIENDS' Director, led a workshop in our Association during May. An activity led by Mrs. Guy Cain, MF Director, was held during the BYW banquet in January.

Mrs. C.F. Clark, wife of a medical missionary to Japan, spoke at our annual meeting in March along with Lee Keck, Journeyman. Our Association has been blessed this year by Vickie Estes and Lee Keck as they have moved about speaking to many groups in our churches. Our association has been represented at all state and southwide conventions with 32 women from 11 churches attending our southwide conference at Ridgecrest in August. Two young ladies, Deborah Duncan and Betty Ann Mincey from Northside, served again this summer on the staff at Mundo Vista. Betty Ann tied with another young lady for "Staffer of the Year".

We recommend the following organizations for their achievements during the year 1974-75:

Distinguished  
Hillsborough First (4)  
Mebane First (8)

Advanced  
Burlington First  
Glen Hope  
Grove Park  
Hocutt Memorial  
Northside

Merit  
Fairview  
Graham First  
Kinnett Memorial  
Moore's Chapel  
Swepsonville

Our Age-Level manuals have been rewritten and materials updated for this year. They have been taught on the state level by state personnel and in our association by our Age-level Directors. Never before have we been so equipped with the know-how to do God's work through WMU as we are today. I challenge WMU leaders and members, let us take renewed energy and move out in the new year resolved to serve Christ wherever we are, dedicating the talents we have to serve Him through Woman's Missionary Union.

Respectfully submitted,  
Mrs. R. Dan Smith, Director

## EVANGELISM REPORT

All churches have received the booklet: **GROWTH EVANGELISM: AN EVANGELISM PLANNING CALENDAR FOR PASTORS OF CHURCHES - 1976-77**. It contains suggestions for various evangelism emphases for the local church for the coming new year including C.A.R.E. Revivals for 1977. The pastor and leaders of each church are encouraged to outline definite evangelism plans with adults and youth during 1976-77.

Major emphases in the association will be given to revivals, local church WIN schools, and Lay Renewal evangelism. A new program of youth evangelism will be promoted and is described below.

### YOUTH EVANGELISM STRATEGY

**1. LEADERSHIP FAMILY.** The Youth Evangelism Strategy builds around the Leadership Training. There are adults from various age-level organizations in the local church who work with the high school young people. They are responsible for the lives of these teenagers. They are the model of love that young people need to see. This love is generated by the power of Christ. It flows into the leadership and then out to change the lives of the high school kids.

The leaders meet weekly for planning, training, fellowship, Bible study, and prayer. They are bound together by their common love for Jesus Christ and high school youth.

**2. TOUCH MINISTRY.** Touch Ministry is a visitation program of the adult leaders on the high school campus, or wherever kids are! The purpose of the Touch Ministry is outreach--to put youth leaders in touch with high school young people. In order to do that, youth leaders must go consistently where high school kids are! Since kids spend the majority of their time at the high school, that is where youth leaders are committed to be.

The ministry of visitation takes many forms: (1) Sharing with the principal about the Strategy; (2) Meeting all types of kids...in parking lots, at lunch, in the gym, at ball games, etc; then, after trust is built, sharing Christ.

**3. DISCIPLING MINISTRY.** The Leadership Family brings committed high school students into a discipling group for a period of twelve (12) weeks. This is an evangelism training project which helps youth to grow toward maturity in Christ. Each family consists of one leader and three to twelve young people.

**4. SHARING MINISTRY.** This is an evangelistic rally called Joy Explosion, to reap the results of the work of the Touch Ministry and the Discipling Ministry. Non-Christian young people are invited to a "Joy Explosion" in someone's home, where the claims of Christ are shared with them. Joy Explosion may take the form of a retreat, youth revival, youth explosion, or any other evangelism emphasis.

### STEWARDSHIP REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program. The stewardship theme for this year is "Bold Believers in Giving." Through the Cooperative Program, we demonstrate our mission commitment.

For the Christian, commitment to the task that Jesus set forth involves a total way of life. This may be referred to as the Christian life style.

For the church, commitment to the bold mission task calls for a specific life style. Churches are stewards, too. The church must demonstrate a commitment to the mission task in the use of all possessions if it is to be true to the command of Jesus. Every church is challenged to increase annually the percentage of its income given through the Cooperative Program. Churches should consider prayerfully the 15 percentage increase suggested by the state convention for Cooperative Program.

In 1975, the churches of our association gave \$171,258.00 through the Cooperative Program and \$38,149.50 for associational missions in 1976. A study made this summer shows the percentage of the total church receipts given in 1965, 1975, and 1976.

We encourage churches to give on a percentage basis to Associational Missions. This is a biblical pattern that allows the church to give as God prospers and takes the pressure off when the economy is bad.

We would like each church to give .03% of its receipts to Associational Missions. The average % of the gifts to Associational Missions this year was .016%.

Gentlemen:

I have completed my examination of the books of record for the Mt. Zion Baptist Association for the period ending September 30, 1976.

Our review was made in accordance with generally accepted auditing standards. Tests of the accounting records as deemed appropriate were made.

It is my opinion that the accompanying statements of Receipts and Disbursements represent the financial condition of the Mt. Zion Baptist Association for the then referenced period.

Respectfully Submitted;  
Paul Hoyle--Licensed Accountant

## HISTORICAL SKETCHES OF MT. ZION CHURCHES

Brief histories of Mt. Zion Churches are recorded in the Minutes of the years as herewith listed. The Association Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the Minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the clerk was not able to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not recorded in the Minutes is inexplicable.

At the 1874 session of the Association it was decided to elect a historian annually. The Minutes of 1875 record that "The report of the Historian was adopted and ordered to be recorded in the "Books of Records of the Association." No trace of this book exists. The historical sketches from 1921 are shown in Minutes as follows:

## DEDICATION

By action of the Mount Zion Baptist Association in annual session on October 19, 1977 at the First Baptist Church of Elon College, these 1977 minutes are dedicated to the memory of Rev. George W. Swinney, Mr. Lonnie Rhodes, and Mrs. R. Homer Andrews whose lives were an example of dedicated and faithful service to our Lord, Jesus Christ.

In the year 1924, the late Martin W. Buck, pastor of First Baptist Church of Burlington, visited the Burlington Mills community and saw the need of Christian work in the area.

In the spring of 1925, the Ham - Ramsey Evangelistic Party conducted a series of meetings which resulted in arousing the interest of the people for meeting the religious needs of the Burlington Mills Community. A small group continued to hold Sunday School for about two years.

In 1927, on September 13th, George Swinney and a class of young people from the Pomona Baptist Church in Greensboro, came to visit the Sunday School, then meeting in the Glen Hope School Building. Mr. Swinney was asked to preach for them and from this meeting came the organization of the Glen Hope Baptist Church. Mr. Swinney became the first pastor and remained pastor for 42 years, until his retirement.

The Church grew under his leadership. Upon his retirement, the church and property was valued at \$900,000.00. He had ordained twenty-one young men for the ministry and licensed two lay preachers. Mr. Swinney had cooperated with all phases of Baptist work and led his people to cooperate, always recognizing those superior to him. He was not a seminary trained minister, but he was a man called of God to do a special work in his special way. He will always be remembered as a man who loved his Lord and who loved people.

Lonnie H. Rhodes united with the Glen Hope Baptist Church in 1937 and served as Choir Director for thirty years. He served on the Staff of the Rich and Thompson Mortuary as soloist, and worked for Kayser-Roth Hosiery prior to his retirement. He did special singing with various groups and with G. W. Swinney held many revivals and evangelistic meetings.

He was married to the former Myrtle Roberson Rhodes and they moved to Burlington from Greensboro. They were the parents of two daughters, five grandchildren and nine great-grandchildren.

Nina Ingle Andrews was born in Burlington, August 25, 1897, to Thomas and Addie Ingle. She married R. Thomas Andrews June 14, 1917. She served her church and community in innumerable offices and activities. Her interest in children is evidenced by the fact that for 34 years, she was Superintendent of the Junior Department of Sunday School in Burlington First Baptist Church.

An excellent Bible scholar and avid missions supporter, she will best be remembered for her generosity. Like some of the early Christians, she "first gave herself", then her time, her talent, and her money. Her life shall serve as a worthy example for others to follow.

## EXECUTIVE BOARD REPORT

The regular quarterly meeting of the Mt. Zion Executive Board was held on January 10, 1977 with 26 in attendance representing 18 churches, at which the different committee reports were presented and approved.

Information concerning committees to serve during the World Missions Conference was shared by Charles McMillan. The moderator, Tom Hill, named the committee to study the structure and activities of the Association.

Rev. Charles McMillan presented, for approval, an agreement with the Pastoral Care Department of Baptist Hospital and an agreement with N.C. Baptist Children's Homes for the operation of the Emergency Home. An announcement was made that the Pastoral Counseling would begin on January 13, 1977.

The regular quarterly meeting was held April 11, 1977 with 24 in attendance representing 14 churches. A devotional by Dr. James Ballard, opened the meeting. Regular committee reports were presented and approved.

During the regular quarterly meeting held July 11, 1977, the trustees, C. R. Byrd, Forrest Hall, and Paul J. Craig, were authorized to borrow a loan of \$10,000 at 8 3/4% interest for a period of 15 years, to be repaid at the monthly rate of \$99.95. Explanation was made that the purpose of the loan was to take advantage of a verbal financial offer extended by the C. R. and Watson Byrd families.

The quarterly meeting held October 10, 1977 was opened as the group stood for a moment in silent memory of Jack Clark, former associational pastor and clerk after which regular committee reports were presented and approved.

Three items of new business were presented:

1. The Finance Committee presented the associational budget for the new year, that after some discussion, was approved to be presented to the association for approval.

2. The Missions Committee recommended that a request be made to the Baptist State Convention for financial aid for an additional day of counseling in the associational office. This recommendation was approved.

3. The Missions Committee recommended that a request be made to the State Convention for financial assistance as follows:

North Graham - Lot and Pastoral Aid ..... \$2,400.00

Fellowship - Pastoral Aid ..... 1,200.00

The Executive Committee was challenged in "Bold Missions" by the presentation of responsibilities and needs around us, and some of the recommendations from the Study Committee were explained by the Superintendent of Missions.

All new members of the Executive Committee were welcomed.

Respectfully submitted,

Thomas E. Hill, Moderator

Freeman O. Cooper, Clerk

## SUPERINTENDENT OF MISSIONS REPORT

I am excited about the work of the Association this year and the promise of the years to come. The Associational Study Committee appointed at last year's annual session has really tried to get input from the churches, and their report reflects extensive study not only on the associational level but at both the state and Southern Baptist Convention levels. In fact, the committee's work is being closely studied by many other associations and Baptist leaders. It is my prayer that we shall be led by God's Spirit as we seek to restructure the Association to make it a more effective

unit of Baptist life.

This has been a good year for missions and ministries in our Association. A record Lottie Moon Offering for Foreign Missions has been followed by excellent offerings for Home and State Missions. As of this writing, the State Mission Offering in the Association was nearing \$12,000, already \$5,000 more than last year.

The first year of the counseling family-life ministry has exceeded our expectations. First, Bob Money, and now Craig Weaver have served our Association in a highly effective, although not highly visible, ministry. The need for expanding this ministry is obvious.

The World Missions Conference has claimed a large part of our attention this year, and excitement is growing and intensifying as the time draws closer. Pray with us that God will touch the lives of a number of people to call them into ministry and missions during the emphasis.

## REPORT OF THE ASSOCIATION STUDY COMMITTEE

At the one hundred seventh annual session of the Mount Zion Association messengers established a special study committee for the purpose of reviewing the structure and function of our association. Ten individuals agreed to serve on this task force as representatives of our forty churches. An organizational meeting of the Association Study Committee was convened on February 17, 1977, at the Mount Zion Associational Office in Graham, N.C. Since its conception the Committee has endeavored to evaluate our association's function in the past and to project an associational vision for the future.

In order to systematically evaluate our past together, we felt it important to solicit a direct response from each of our churches. Therefore, an evaluation survey was prepared and made available to churches as a guide in helping them to express their opinions and judgements concerning associational structure and ministry. In reviewing these critiques, we have discovered that the vast majority of responding churches are extremely pleased with our associational leadership and generally satisfied with the present associational structure. As members of the Mount Zion Association Study Committee we heartily endorse this positive reflection as shared by our local congregations.

However, if we understand our commission as a special study committee, then we are charged with the responsibility of projecting an associational vision for the future. To be involved in a bold missions thrust on the associational level in the years to come, we must seriously consider adopting an expanded concept of Christian ministry. In order to facilitate such a program, we need an associational model that reflects our desire for innovative ministries and aggressive mission outreach.

I. With this in mind, we recommend the following objectives for the Mount Zion Baptist Association as an associational model:

- to provide for mutual encouragement and fellowship through the definition and practice of Baptist distinctives;
- to consistently seek to confront everyone in our area with the claims of Christ on his/her life;
- to encourage and facilitate church development and improvement;
- to promote participation in missions and ministries on the foreign field, in the home land, in the state, and in the area of the local association;
- to provide services to the churches as needed and desired.

II. In order to meet these objectives we recommend the adoption of the following growth factors for the Mount Zion Baptist Association:

1. Encourage and make provisions for the establishing of objectives by the grass-roots people of the churches. Implementation of this principle can be accomplished by the formation of an Association Relations Committee in each church, an annual dialogue with local church representatives, and through an invitation to the Superintendent of Missions to visit each church yearly for the explicit purpose of conducting a feed-back time on the associational program.
2. Develop a structure in the association that will facilitate the reaching of the determined goals and objectives of the association. Implementation of this principle would necessitate four additional meetings of the association, one each quarter, based on a thematic approach as determined by the associational model. We believe that the regular annual session should also continue to meet and only later be phased out if deemed feasible. The quarterly meetings should be held at night, with at least one of said meetings taking place on a Sunday evening in order to encourage maximum participation. In addition, it would help in the implementation of this principle, if associational officers were elected no later than April of each year.
3. Involve more lay people in the decision-making process of associational life. Implementation of this principle would be enhanced if the association's constitution was amended as to allow at least ten messengers from each church with five of these messengers being leaders in local church organizations. All messengers should be elected annually. The concept of quarterly meetings would be helpful in realizing this growth factor also.
4. Communication must be improved dramatically. Implementation calls for helping more of our people see the associational office as a resource center for information. Furthermore, we believe that additional audio visual equipment such as a "Film O Sound" or video tape cassette recorder could be helpful. A concerted effort should be made to get The Mount Zion Courier into more homes.
5. Improve Fellowship in the Association. This can be instigated through doctrinal programs and discussions, the involvement of more people through associational ministry projects, and bi-partisan political alliances for the purpose of promoting Christian principles.
6. Develop and Encourage pastoral support systems. The pastor and his family are under greater pressures than ever before and the denomination owes them quick and significant help. Pastoral growth groups and seminars should be enlarged. In addition, we believe that the contractual agreement we have with N.C. Baptist Hospital for a trained counselor should be expanded to two days a week.
7. Increase financial support of the association. A great part of this report, as well as the future ministries of our association, depends upon increased giving to the association. In order to realize this principle, each church needs to designate 4% of its annual budget to associational missions.
8. Upgrade associational leadership. In order to implement this growth factor, we encourage the association to underwrite the expenses of all associational officers going to Ridgecrest for specialty training in their respective areas of service. Budgeted funds now specified for "convention and conference expense" should be used at the discretion of the associational staff. The Superintendent of Missions and the associational secretary should be given the opportunity to enhance their professional skills and expertise through additional training.

III. In conclusion, we recommend that the Associational Study Committee continue to function for another year and make a report at the 1978 annual session.

### A SPECIALIZED MINISTRY

A remark often heard these days by Mr. Baptist is, "The Church simply must move out from within its own four walls." More and more, it is doing just that. Pastors are increasingly aware of the fact that their responsibility extends far beyond the boundaries of a circumscribed group known as "a membership". The problems of a much larger community lie at, or flow toward, their doors, clamoring for helpful solutions. Tragic accidents, long-term and sometimes terminal illnesses, frustrations associated with employment or the shifting population, the bent toward a dependence upon "crutches" of one sort or another by young and old alike, insecurity of both the adolescent and the aging, devisiveness in groups from the family to the church-- these are only a few of the problems that call.

Pastors sometimes find themselves bowed so low beneath the load as to need help. The Mt. Zion Baptist Association, convinced that something can be done to afford help, entered into a contractual agreement with the Pastoral Care Division of the North Carolina Baptist Hospitals, Inc., February 20, 1977. This agreement provides that the Mt. Zion Association furnish office and secretarial help for a minister of counseling and consultation to pastors, wives of pastors, and to individuals who may need and want such service. The counselor is from the Pastoral Care Division of the Hospital which receives an annual fee paid quarterly by the Mt. Zion Association. Mr. Bob Money served as the first of these counselors, having begun his work in January, 1977. The first group of pastors met on March 3, 1977 and has met every Thursday since that time, with nine ministers participating.

As evidence of that fact that the wives of pastors often share the burdens of their husbands, and, being individuals of concern in their own right, have problems of their own, fourteen ladies have participated in sessions meeting once a month since March 17, 1977.

In addition to these group sessions, fourteen persons have received help through private counseling since January 20, 1977.

When Mr. Money assumed a position in Tennessee, Mr. Craig Weaver succeeded him, August 25, 1977. He, like Mr. Money, maintains office hours from 9 o'clock a.m. until 5 o'clock p.m. each Thursday at the office of the Mt. Zion Association, 307 W. Harden Street, Graham, N.C.

The overall purpose of this ministry is best stated in the contract itself, which says: "This agreement made by the Department of Pastoral Care of the North Carolina Baptist Hospitals, Inc., and the Mt. Zion Baptist Association, for the purpose of

providing specialized ministries and pastoral care and counseling in the Mt. Zion Association, such as pastoral counseling, consultation and training for pastors, and enrichment opportunities for the community."

J. H. Waugh, Jr.

Historian of Mt. Zion Baptist Association

## MISSIONS COMMITTEE REPORT

Opening the door to Bold Missions cannot be a one-time thing; it is an operation that continues to explore new concepts even as the old are renewed, cast aside or enlarged upon. Your Missions Committee is endeavoring to help the churches reach out in as many phases as are practical.

The Emergency Care Home is unique in filling particular needs in this area. And while these needs are being met, it can also fill a void that is occurring in the lives of church members. To become involved in this operation can be rewarding to many individuals. We urge you to expend great effort so the work moves progressively toward permanent facilities, greater capacity and more stability in operation. There are no permanent house parents at the Home at the present time, and a search is underway to fill this position.

The Family Life Program has perhaps not exceeded our expectations, but certainly has outrun our preparations. This service must be expensed to an additional day each week. Facilities also will have to be provided for expansion.

In total involvement, the Puppet Ministry continues to be exciting. Under Mrs. Reu Hudson's guidance, stimulating programs remain the norm performed by church teams. Have your church seek this service and explore your possibilities for teaching and outreach through puppetry.

A person to fill the position of Volunteer-Coordinator is now being considered and the State and Home Mission Boards will be involved in the operation to the extent of a major portion of salary. Through this person, people with skills will meet with people who can use those skills for a richer life.

A major emphasis has been placed on promotion of the World Missions Conference, and we look forward to a better understanding of Jesus' teaching that the Gospel cannot be kept, but given. We urge that each person take advantage of the opportunity presented concerning World Missions. This is really reaching out.

Pastoral aid for Fellowship and Glencoe churches is being sought for the calendar year of 1978.

Your Missions Committee solicits your ideas, methods, mechanics, manpower, and prayers as we seek to serve you through service to others thereby serving God.

Respectfully submitted,

Johnny Greene, Chairman

Associational Missions Committee

## STATE MISSIONS 1977 - OPENING THE DOOR TO BOLD MISSIONS

We are happy to report how our association did concerning the special day for State Missions throughout our state.

The Mount Zion Association was challenged to give \$25,000 as our part of the state goal of \$1,385,000. As of September 18, 1977 the following indicates a partial result of our efforts:

1. \$11,436.49 or 44% had been given.

2. \$7,168.00 was given in 1976.
3. We have already given 62.6% more than we gave in 1976.
4. Only 23 churches of 40 have reported.
5. The 17 churches that have not reported could possibly give enough to exceed a 100% more given than in 1976.
6. With an extra effort we could possibly reach 80% of our overall goal of \$25,000. This would mean we gave \$20,000.
7. Five of our churches exceeded their suggested goal.
8. Nine of our churches did not give to state missions in 1976.
9. Four of these nine churches have given in 1977. We are waiting to hear from the other five churches.

We are thankful to God for all the participating churches and we pray that the reports that will be forthcoming will help us come a little closer to our goal, better still to help us do what God would have us to do for our people in North Carolina.

A word of appreciation for all the Associational Mission Interpreters is certainly in order. These fine dedicated Christians did such an outstanding job in getting the word out about State Missions. Through their efforts we are all better informed about State Missions. A special "thank you" to:

## BROTHERHOOD

I am grateful for this opportunity to share some urgent concerns.

As we are opening the door for bold missions, I would challenge our Association to do at least five goals for 1978.

1. Increase our enrolment by 31%.
2. Increase our elected Brotherhood Directors by 28%.
3. At least two training courses for Associational Leadership in Baptist men's and boy's work.

4. Brotherhood Directors' Planning meeting on a quarterly basis.

5. At least three Associational Men and Boys rallies.

We have had some real opportunities this past year to witness and do missions, but we have not always taken advantage of these opportunities.

Men and Boys, let's do what we can before it is too late.

Respectfully submitted,  
H. G. Foster, Director  
Associational Brotherhood

## SUNDAY SCHOOL REPORT

Throughout the 1976-77 year the Sunday Schools of the Mount Zion Association have experienced many victories as well as defeats. Surely we have learned much from each experience. Now let us take these experiences and join hands with the Lord and use them for His glory.

This past year many of our churches took advantage of the "Teaching-Learning" experiences offered for each age group in Sunday School. For the coming year there will be another of these planned on September 25, 1978. I would challenge every church in the Association to encourage their Sunday School leadership to take advantage of this opportunity.

One other major outreach effort to our people is Vacation Bible School, which does not have to be limited to the "younger generation" by any means. It can be used very effectively for adults, too. There will be a pastors and directors early bird meeting on March 13, 1978 to acquaint the pastors and directors with the program. Then on April 24, 1978, there will be a two-session training program for all Vacation Bible School workers. Please take advantage of this valuable training.

Now let's consider some new work. In this year let's all give careful consideration to expanding our Sunday Schools through the "Action Program" or, perhaps you could try an "Adult Start-A-Class" emphasis in your church. We would be glad to lend a "helping hand" to any church wishing to do anything in this area.

There is one other area of work that I would like to emphasize. That is in the area of senior adults. In my own church each Sunday as I watch the people from babies being carried by their parents right on through children, youth, and adults, I think "This is what it's all about." Then I see one of our ladies who has the distinction of being "the most years young" in our churchbody, and I know that all the effort is worthwhile. I challenge every church to look carefully at their opportunities in the area of senior citizens and make every effort to reach these people. They have experience from their years of living that can be invaluable to our churches. Let's not let this wisdom go to waste.

Respectfully submitted,  
J. A. Taylor, Sunday School Director

## WOMAN'S MISSIONARY UNION

WOMAN'S MISSIONARY UNION launched two special emphasis this year. The first emphasis involved a three-year plan (1976-79) called "Teach Missions: to know, to grow." Because of this emphasis, a widespread campaign was launched to grow "knowbodies" by encouraging persons to subscribe to and use missions magazines.

The second WMU emphasis, "Minding the Future", promoted the following age-level organizations: Acteens, Girls in Action and Mission Friends. Fortunate is the preschooler who finds in his church through his Mission Friends organization a climate

in which he can grow in awareness that God loves him and all people. Our Associational Girls in Action had growing experiences through their Mission Fair and annual Sleep-In. Our Acteens became physically, emotionally, and spiritually involved in learning this year. They had four activities, one for each quarter. Four churches had Student Recognition Services: Burlington First, Hocutt Memorial, Kinnett Memorial, and Graham First (2). We had five Acteens working as staff members at Mundo Vista this summer: Naomi Statler, Lisa Willis, Debbie Kelly, Robin Davidson and Amy Blythe. Mt. Zion Association was well represented at the State Acteens Convention at Ridgecrest with 34 attending.

We have 18 Baptist Young Women organizations. Our desire is to have an organization in each of our 40 churches in Mt. Zion. Alamance is our newest BYW organization. BYW's involved themselves in a Missions Fair and a Prayer Retreat this year. Miss Martha Franks led the Prayer Retreat on April 30 as they joined Yates and Raleigh Associations.

Baptist Women's Prayer Retreat was October 30 at Mars Hill with Mrs. Albert Jackson leading the Bible study. In the study of Missions, Baptist Women find an excellent way to become interested, informed and involved Christians with concerns and visions world-wide in scope.

A new officer has been at work this year. Edna Smith is WMU Mission Action Director, and she leads in strengthening or coordinating mission action work being done by churches in the association. Under her leadership, a Workshop was held in the fall including six conferences. A twelve-hour Literacy Workshop began May 30 with twenty women receiving certificates (five are already involved in teaching Korean women to read English). Churches were informed and some have begun a ministry at the Care-in Convalescent Home. Four women from Northside have begun a Prison Ministry through the Post Release Services Program, N.C. Correctional Center for Women at Raleigh. In a lot of ways, they are helping a resident since her release. WMU organizations in our association joined State WMUs in furnishing gifts for the Correctional Center at Christmas.

The WOMAN'S MISSIONARY UNION held their seventy-first Annual session at Antioch March 22, 1977. Mrs. R. Edward Gordon, missionary to the Philippines brought the message. Miss Betty Anne Mincey shared "Here Am I". Miss Mincey is now a Journeyman to Nigeria. The Girls in Action and the Royal Ambassadors from Riverside furnished the special music. Two hundred seventy-five registered for the afternoon and evening sessions.

We commend the following organizations for their achievements during the year 1975-76:

#### ADVANCED

### ORDINATIONS COMMITTEE REPORT

On three occasions the Ordinations Committee of the Mt. Zion Baptist Association was requested to examine candidates for ordination during the year 1976-77. On January 3, 1977, Steve Crouse was examined at the request of the Glen Hope Baptist Church. On February 28, 1977, Felton Massey was examined at the request of the Altamahaw Baptist Church. And on May 25, 1977, Emie Keck was examined at the request of First Baptist of Mebane and Mt. Adar. The Ordinations Committee unanimously approved the candidate in each case. We found these men to be committed Christians with a clear calling to the ministry.

## HISTORICAL SKETCHES OF MT. ZION CHURCHES

Brief histories of Mt. Zion Churches are recorded in the Minutes of the years as herewith listed. The Association Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the Minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the clerk was not able to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not recorded in the Minutes is Inexplicable.

At the 1874 session of the Association it was decided to elect a historian annually. The Minutes of 1875 record that "The report of the Historian was adopted and ordered to be recorded in the "Books of Records of the Association." No trace of this book

exists. The historical sketches from 1921 are shown in Minutes as follows:

# *Dedication*

By action of the Mount Zion Baptist Association in annual session on October 17, 1978 at the First Baptist Church of Hillsborough, these 1978 minutes are dedicated to Rev. Charles L. McMillan, Jr.

Born in Smyrna, Georgia on February 18, 1929, Charles L. McMillan, Jr. was educated at Smyrna High School, N. Georgia College, and received a B. A. degree from Mercer University in 1950. He studied at Columbia Theological Seminary in Decatur, Georgia from 1952-53 and received a B. D. degree from Southeastern Baptist Theological Seminary in Wake Forest in 1958.

Rev. McMillan is married to the former Greta Hensley McMillan, also from Georgia and they have three children: Mrs. Laura Lavin, Greenville, N. C., David McMillan of Burlington, N. C. and Beth McMillan of the home.

Before becoming Superintendent of Missions in the Mt. Zion Association in May of 1972, Rev. McMillan held pastorates in Woodstock, Georgia, Raleigh, N. C. and Burlington, N. C. Under Rev. McMillan's administration, Mt. Zion Baptists have realized some dreams, the most visible one being the Emergency Care Home, sponsored jointly by Mt. Zion Baptists and the Children's Homes of N. C. Another dream becoming reality is the Family Life Ministry which has made available to pastors, their families, and lay people alike a much needed local counseling ministry.

Under Rev. McMillan's guidance, the local Associational office has become a "service center" where churches may find help with such things as publicity needs, newsletters and bulletins, missions programming, visual aids, tape duplication and puppetry. Rev. McMillan has also been of valuable assistance to Pastor Search Committees, deacons and key leadership in the churches.

Although still in the development stages, we are working toward a new Associational structure with emphasis on more decision-making people from our local churches becoming involved in Associational meetings, training programs and the overall decision-making process. This is perhaps the most significant dream in which Rev. McMillan has led our Association.

We thank God for the leadership He has shared with us through Rev. McMillan these past six and one-half years. With his resignation as Director of Missions in Mt. Zion effective October 31, 1978, we send him to the Raleigh Association with our prayers and our unchanging love.

#### **EXECUTIVE BOARD REPORT**

A new format was used for our quarterly meetings this year which resulted in a much larger attendance. Much of the reporting of the organizations and committees was done in meetings with the various heads of organizations during the meal time. However, in the January meeting Johnny Greene did report that the Missions Committee had met with a committee of the Mount Zion Church and discussed a possible gift to the association of fifteen acres of land as a site for a permanent Emergency Home. It was noted that the Brookwood Baptist Church had given \$450 to start a fund for this proposed structure.

Moderator Hill noted that associational officers would be elected at the April meeting in order for them to be trained and have opportunity to plan the July meeting. Rev. W. T. Cockman was elected to fill the unexpired term as associational Sunday School Director. Houseparents of the Emergency Home, Sonny and Jan Wall were introduced. Dr. John Eddins spoke on the Doctrine of God and then the group was divided into small discussion groups led by various pastors.

The April meeting was held at the Haw River Baptist Church emphasizing the theme "Evangelism and Outreach." New Pastors, Rev. Larry Harper of Antioch and Rev. Lynn Bertram of Crossroads, were introduced. The treasurer's report and reports of the organizations were distributed. The Missions Committee reported that the plans for the gift of property had not been finalized due to the health problems of Dr. Waggoner. The Missions Committee also recommended that the October quarterly meeting be held on October 16 in conjunction with the annual meeting rather than on October 9, and that missions and ministries be the theme of the entire series of meetings. This recommendation was approved.

The Nominating Committee presented the following slate of officers to be elected to serve until April, 1979: W. T. Cockman, Sunday School Director; Ken Simpson, Church Training Director; Brenda Beam, Youth Coordinator; Larry Thompson, Music Director; Pete Foster, Brotherhood Director; and Shirley Bradley, W.M.U. Director. These were elected.

The Associational Council recommended that the July meeting be held on Sunday, July 9, instead of Monday, July 10, in order that a major emphasis could be made of Key Leadership Conference and the Bold Mission Thrust program.

Jerry Ables led a conference on Evangelistic Music, and Mark Corts led a conference on evangelistic outreach programs in the local church. Later Rev. Corts preached an inspirational message to the combined groups.

The July meeting began at 3:00 p.m. at the Hocutt Church with Vice Moderator, C. W. Lee, presiding. Talmadge Williams of the state convention spoke on "The Biblical Mandate for Bold Missions." The congregation was divided into eleven conferences which included: Brotherhood, Church Clerks, Church Training, Deacons, Evangelism, Missions, Music, Pastors, Sunday School, and Stewardship. These conferences were adjourned at 4:45 and churches were given an opportunity to meet together and plan their individual church work.

A snack supper was held in the fellowship hall of the Hocutt Church at 5:45. In the business session the treasurer's report was distributed and the Superintendent of Missions announced that representatives of the Children's Homes believed that the Mt. Zion Church property was unsuitable as a site for the Emergency Home due to its distance from the supporting agencies in Burlington and Graham.

A slide presentation on Bold Missions was given after which Rev. Roy Smith, Associate to the Executive Secretary of the Baptist State Convention, spoke on "The challenge of Bold Missions. The meeting was concluded with special music rendered by Mrs. Emily Thompson and the benediction by Rev. Charles Lemley, pastor of the First Baptist Church of Mebane.

## **SUPERINTENDENT OF MISSIONS REPORT**

The tendency in a report is to recall past activities, usually accomplishments. The pressure to remember and reminisce is even greater since this is my last report. However, opportunities do not occur in the past, only in the present and future, so my "report" will have to do with present and future possibilities. I am excited about the first year's response to the new structure. The quarterly meetings have been well attended and the evaluations have been enthusiastic. Some opportunity must be given a new Superintendent of Missions to evaluate the total associational picture and in particular this new structure before it is tied down too tightly in written constitution. However, it is my hope that the principles already validated will be conserved in some associational action. The most important of these are:

- the involvement of more people through thematic (subject oriented) meetings and evening meetings.

- the involvement of the decision-making people of the church in associational meetings by having snack suppers at the quarterly meeting for heads of church organizations and the changing of the local church process of election of messengers to the association so that heads of church organizations will be included.

the establishment of associational structure, i.e. committees/commissions, task forces, that reflect the objectives of the association. These I hope will be implemented in the constitution as soon as possible.

Several activities loom as priorities for associational action. Among them are: (1) the enlargement of the office space or perhaps the sale of the present office and purchase of larger offices; (2) the finding of suitable land for building an Emergency Home; (3) the enthusiastic acceptance of Bold Mission Thrust as a program for growth both for local churches and the association.

In regards to church growth, we need to be reminded that this is easier to talk about than to do. This may be true in part because growth represents change to people and change is often scary and therefore resisted. However, growth in a plant, a person, or an institution is the best evidence of life and we must make a commitment to grow.

Our concepts and practices often limit growth. For instance most of our church programs are beamed toward families where there are both husband and wife and the children are under 18 and still in the home. Statistically, this group represents but one-third of the possibilities. Other groups such as single parent families, singles, senior citizens, and previously marrieds need and deserve the attention and ministry of our churches.

The ever increasing visibility of foreign language speaking people indicated a need for increased literacy missions and the establishment of ethnic churches. S.B.C. churches in 1975 were fewer in comparison to the number of people than in 1889. The number of new churches being started in our area by other groups plus the realization that there are still some 80,000 people unaffiliated with a church, indicates a need for an aggressive church planting process.

The associational program to discover train and supervise Christian volunteers needs to be expanded and strengthened. The use of puppetry to reach otherwise unreachable people needs to be enlarged.

Work with migrants, ethnic groups, prison inmates, discipleship training for church members, family life improvement, and others too numerous to list provide a fertile field for the planting of Christian lives. May God give you the vision, strength, and courage to know His will and to do it.

## **REPORT AND RECOMMENDATIONS OF THE ASSOCIATION STUDY COMMITTEE**

1. Encourage and make provisions for the establishing of objectives by the grassroots people of the churches. We continue to support the establishment of an Association Relations Committee by each church in our association. Furthermore, we recommend that when a church decides to select such a committee that it be composed of elected messengers to the quarterly and annual meetings of the association. We request that the pastor or church clerk inform the associational office if and when such a committee is formulated.

We also recommend that as soon as the new Superintendent of Missions is settled in, that every church in the association extend a personal invitation to the superintendent to come and discuss associational life with the local congregation.

Our constitution should be amended in order that the Associational Council can function as a long-range planning committee.

2. Develop a structure in the association that will facilitate the reaching of the determined goals and objectives of the association. (See addendum). We believe that the quarterly meetings of the association have been beneficial channels for

emphasizing our goals and objectives. We recommend that these quarterly meetings be continues through 1979 on a trial basis. If this practice is to continue beyond 1979, our constitution should be amended so as to allow quarterly meetings to become a permanent part of associational structure and programming. Implementation procedures for these meetings should be established and instigated bewteen now and the end of the one hundred tenth annual session of the association.

We further recommend that our constitution's purpose be rewritten so as to reflect the associational objectives adopted at the 1977 annual session.

**3. Involve more lay people in the decision-making process of associational life.** We recommend that our constitution be amended to allow each member church a minimun of ten (10) messengers to quarterly meetings and annual sessions. Churches with over 500 members should be entitled to one additional messenger for each 100 members. We further suggest that at least five of the messengers be leaders in local church organizations.

**4. Communication must be improved dramatically.** Over 1,400 of our people are now receiving the Mount Zion Courier. It is desirous that even more of our people receive this informative newsletter. As financial resources are available, we suggest that the audio visual ministry of the association be expanded. In the near future, we should move toward the purchase of a video tape cassette recorder.

**5. Improve fellowship in the Association.** The concept and programming of quarterly meetings has been a tremendous asset to associational fellowship. The additional ten hours designated for quarterly meetings has drawn over 800 participants into associational fellowship.

We salute five of our member churches in Orange County for joining in a coalition to fight liquor-by-the-drink in their area.

**6. Develop and encourage pastoral support systems.** We support the purpose of the Mount Zion Association Pastor's Conference and believe it serves as one source of pastoral support.

We continue to underscore the importance of the pastoral support system provided through our contractual agreement with N.C. Baptist Hospital. We are pleased that our pastors, pastors' wives, church staffs, and laity have this service available through the association. We continue to believe this ministry should be expanded.

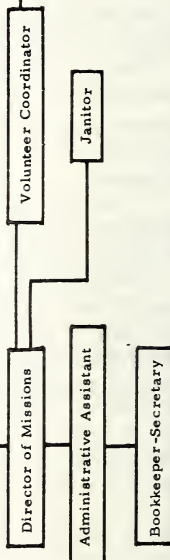

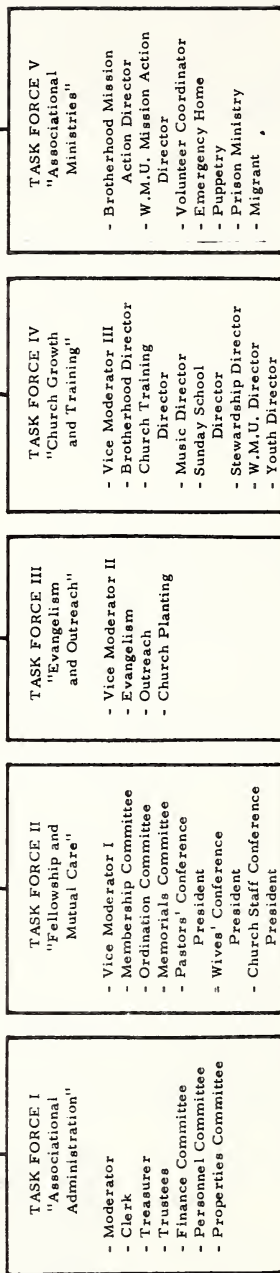

**7. Increase financial support of the association.** The association meeting in annual session has recommended that each church work toward designating 4% of its budget to associational missions.

**8. Upgrade associational leadership.** We are pleased to report that 75% of our associational leadership attended the Key Leadership Conference at Ridgecrest this year. We recommend that our associational officers participate in this conference through 1982. We endorse the efforts made by the employees of our association to improve their professional knowledge and expertise.

Respectfully submitted,

THE COORDINATING COUNCIL  
(DIRECTOR OF MISSIONS AND MODERATORS OF TASK FORCES)

The Coordinating Council would be responsible for planning and coordinating all of the work of the Association. It would meet monthly.

Task Forces would be responsible for the tasks from which they get their names. Each would be chaired by a moderator or vice moderator who would be a member of the Coordinating Council. Each of the task forces would be responsible for planning the meetings of the association. Task Force I would oversee all meeting plans. Task Force II would plan the January meeting; Task Force III the April meeting; Task Force IV the July meeting; and Task Force V the October meeting.

Each Task Force would meet quarterly.

Task Force I would oversee all administrative functions, i.e., hiring and firing of staff, budget planning, committee nominations, etc.

Task Force II would enrich fellowship both inter-church and intra-church.

Task Force III would plan and promote evangelism and outreach. One subcommittee would plan Associational cooperative evangelistic programs. Another would promote annual evangelism plans for the local church. A third would coordinate outreach programs of organizations (such as action) when they are on an associational or multi-church level.

Task Force IV would serve as a coordinator of leadership training activities and encourage and promote local church growth. Annual calendar planning would be the responsibility of this Task Force.

Task Force V would discover, implement, and maintain Associational ministries. Surveying needs, enlisting churches, training volunteers and coordinating ministries shall be a part of the job of this Task Force.

## HIND SIGHT

This is by no means a "since I came" column, though the personality involved in this sketch seemed fearful that it might be so received. The Reverend Charles L. McMillan, having served well as Director of Missions in the Mt. Zion Baptist Association for the past six plus years, has been recognized as a leader who is determined to achieve, and will assume the directorship of missions in a larger North Carolina Association on November 1, 1978. When asked what he considered to be some of the major advances in the work of the Mt. Zion Association during his tenure of offices, he modestly responded.

"Thinking back about the ministries that have occurred, I would have to put as the most visible ministry "The Emergency Home." The cost of preparing that Home amounted to about half of the proposed budget, and yet the people of the Association rallied to the challenge of the need, and cooperating with the Baptist Children's Home of North Carolina, were the first to actually realize this kind of facility for needy children. "The number of children that have been helped, the individual situations that we have dealt with, the children and parents who have responded so positively to the ministry, the social service people who have responded so positively to it, have made it a most meaningful ministry."

A second ministry which gives satisfaction is that which Mr. McMillan calls "The Family Life Ministry," a ministry of counseling provided in cooperation of the Association and the School of Pastoral Care of the Baptist Hospital. A counselor comes weekly into the Association, offering support services to pastors, their wives, and to referrals from the pastors. Mr. Steve Duncan from the Raleigh office will be serving as counselor during this year.

A third ministry mentioned is the growth of the ministry of the Associational office itself. Says Mr. McMillian, "More and more people have come in each year, people coming in for information and services we are able to provide. The visibility of the Association has been enhanced by the office by a considerable degree." This office is certainly more than an administrative unit; it is a service center where encouragement is made to improve church bulletins, where Mrs. Hudson works with a meaningful puppet ministry, where the outreach ministry of local churches is aided by the reproduction of master cassette tapes, where duplications of needed materials is done, and where many pulpit committees find needed assistance.

Finally, Mr. McMillian says, "Of all the things I have seen happen, probably the one that has less visibility but may eventually be the most significant thing that has occurred in the last ten years is the development of a new structure, at least the movement toward that structure. Associations will never be more active than the people who are a part of the annual Associational meetings. Emphasis on night meetings, more messengers, the emphasis on having the decision-making people in the local churches become messengers, and the encouragement of the early election of church officers so that we can tie in with that good training programs, to me has been probably the most significant thing we've done."

Waiting is a part of "his story" (history.) And so we of the Mt. Zion Baptist Association wait to see the further development of these ministries which have been a source of joy and some degree of satisfaction to our Associational leader who leaves shortly to assume his work in the Raleigh Baptist Association.

J. H. Waugh, Jr.

Historian of Mt. Zion Baptist Association

### **MISSIONS COMMITTEE REPORT**

Bold Mission Thrust has dominated the Baptist Mission scene this year. It is apparent that the concept is becoming contagious among the rank and file Baptists and churches and church people are beginning to get on mission for Jesus Christ. The year began for Mount Zion with a World Mission Conference that exposed 36 of our 40 churches to Baptist missions around the world. The tabulated results of people present, the number of addresses by missionaries, etc., was impressive but not nearly as impressive as the number of people that have responded since the conference to serve Christ outside the Mt. Zion area. Phil and Cindy Waugh are now serving in Taiwan, Charles and Sharon Knight have received their appointment to serve in Europe, Sonya Ammons served with the evangelism department this past summer in Maryland on an evangelistic team and Donna Keck served with the Home Mission Board in Wilmington, N.C. These and others who have responded inspire each of us to be better missionaries here at home.

Our Emergency Home was out of operation for several weeks due to the difficulty of finding the right houseparents. However, we are very pleased that we now have a couple, Fred and Marie Walther, who have had over ten years experience as houseparents at the Mills Home in Thomasville. Along with our director, Lois Romine, everything is now well in hand. We continue to provide care for children and youth at or near capacity of the home. Your committee regretfully rejected an offer of land from the Mt. Zion Church for the purpose of building a permanent home. After consultation with the Baptist Children's

Homes' leadership, it was felt that the site was just too far away from the supporting agencies of social service, mental health, schools, etc. Our need to provide a permanent facility becomes more and more urgent as the years pass, and we urge every Baptist to pray that God will lead us to the right property.

Mrs. Hudson's puppet ministry is flourishing and there are more request for engagements than the team can fill. If your church has not been exposed to puppetry as a medium for telling the gospel, we encourage you to contact Mrs Hudson at the associational office and make arrangements for the team to visit your church.

Brenda Beam, our coordinator of volunteers, has been working with a number of missions action projects including a ministry to prison inmates, tutoring for the children in the Emergency home, training for young people leading Backyard Bible Clubs, and working to get people involved in rest homes ministry. Brenda will be happy to talk with your church or one of its WMU or Brotherhood groups about possible ministry action projects.

Our Family Life Ministry has operated well this year with assistance from the Baptist State Convention. Craig Weaver, John Edgerton, and now Steve Duncan have served as trained counselors providing group leadership and counseling services one day a week. Steve Duncan will be with us for a full year and will be coming from the Raleigh satellite center of the Baptist Hospital. He will be available to provide counseling or consultation as needed.

Since the first of August, your committe has been involved in getting ready and in the process of searching for a new missionary. Upon the resignation of Rev. McMillian to go as Director of Missions for the Raleigh Association, the committee has assumed its constitutionally required role of search committee. We have talked with Dr. Howard Ford and Roy Smith of the convention and have received suggestions from a number of you as to possible candidate for the job. The committee met several times to simply discuss and decide upon the proper procedures for securing a missionary and in its last several meetings has been looking at the resumes of possible candidates. We have begun the process of interviewing people and request the earnest prayers of all Christians as we seek to be led of God's Spirit to God's man for this place. We will keep you informed of our progress. Whole new vistas are open to us as we look toward the future. We believe this will be a good year for Mount Zion.

Johnny Greene, Chairman  
Associational Missions Committee

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The programs, services and facilities of the Baptist Children's Homes of N.C. are being utilized well for quality care of children and in providing assistance to families that need our help. The Homes strive to be worthy of the faith and confidence of N.C. Baptists and friends who continue to support this ministry through personal involvement, prayer and financial support.

Our Homes have been moving in the direction of providing additional community-based services (such as, emergency care and group homes) as additional requests come to the Homes. Providing care for children reasonably close to a child's home is a wholesome trend.

In the Piedmont area, Mills Home, foster home services, emergency care at Burlington and Charlotte, the high adventure program at Wall Home, the Child Development Center on the Mills Home campus, programs of crisis intervention, counseling, and family education fill a particular need in this area of the State.

At the Burlington Emergency Care Home, 28 children were served between October, 1977 to the present date. Twelve of these children were from Alamance County, seven from Forsyth, three from Randolph, two from Orange, and one each from Person, Surry, Davidson and Stokes Counties.

### SUNDAY SCHOOL REPORT

Rev. W. T. Cockman, our Sunday School Director, accepted a call to serve on the staff of the First Baptist Church, Charlotte leaving a vacancy for part of the year. Roby Linebarger is being nominated as our new Sunday School Director so there is not a comprehensive report at this time. However, here is a compilation of the VBS reports:

	Number	Enrolment	Professions of Faith	Prospects Discovered
Vacation Bible Schools	29	2,584	25	535
Backyard Bible Clubs	12	203	4	32
Mission V.B.S.	1	238	33	
	42	3,025	62	567

### BROTHERHOOD REPORT

We do not have a Brotherhood report this year. Mr. H. G. Foster, our former director, resigned in the middle of the year and Brotherhood statistics will be contained in the statistical tables of the minutes. Mr. Chuck Surles has been nominated as our new Brotherhood director.

### EVANGELISM REPORT

A significant goal in Bold Missions is to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make genuine commitments to Christ and to guide them in their spiritual development. Pastors and church leaders can use the notebook - **Bold Evangelism Through the Local Church** - to plan and develop an ongoing program of evangelism. Free

notebooks will be available and training sessions will be held in associational evangelism clinics across the state.

"The Evangelistic Church on Bold Mission" was the theme of the 32nd Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

Four summer youth evangelism teams preached in one week youth revivals and directed youth witness training in many churches across the state. One of these teams led youth revivals in nine churches in Maryland in a joint Bold Mission effort. Genuine decisions for Christ were made by many youth.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly. All persons participated in specific witness training sessions. The emphasis also included vocational guidance and recreation.

About 12,500 youth, pastors, and adult leaders attended the 8th Statewide Youth Evangelism Night - August 18 - at Greensboro Coliseum. Bill Hogue, Director, Evangelism Section, Home Mission Board, Atlanta, was the preacher; Richard and Judy Bradford, Albuquerque, New Mexico, were the soloists, and other youth shared on the program. Follow-up work is always assigned to pastors with all youth who make decisions.

Churches are encouraged to become more involved in Renewal Evangelism. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Sixty-eight associations have participated in one week Lay Evangelism Schools in recent years with 15,000 youth and adults receiving lay witness training from 1,245 churches. Consistent witnessing to non-Christians is essential.

Youth Evangelism Strategy can help associations and churches train their youth in witnessing to the unsaved and in personal discipleship. Also, YES equips adults to work with youth in evangelism.

Excellent reports on revival meetings, city-wide crusades, and associational evangelism clinics have been received. There has been a good response to associational youth evangelism emphases.

The 33rd Statewide Evangelism Conference will be held at Cumberland County Memorial Auditorium, Fayetteville, on February 5-6, 1979.

## MUSIC

This year has been a year of "finding out what we need" in the Mt. Zion Association in regard to our music program. At our four quarterly meetings we have discussed in length some of our needs, some of the problems we face, and how we can solve those problems. Many good and innovative ideas have come from these sessions, and our hope is to put many of them into practice. One thing has become very real to us in our group sessions - that is, we must take the resources God has given us and use them to the fullest.

Let me encourage each church to invest in the future of their local music program by sending music leaders (paid or volunteer) to any of the training opportunities. An annual event each September is the training for part time and volunteer music leaders at Camp Caraway. Music weeks at Ridgecrest and the N.C. Assembly also offer training to both leadership and choir members.

A good variety has been provided for us in our different sessions of associational work. Jerry Ables led us in a fine conference on "Music in Evangelism" and provided grand special music for our April meeting. The combined choir from Hocutt, Kinnett, Graham First, Haw River First, and Burlington First helped to make the July "Bold Missions" meeting much more effective. The brass ensemble and Youth Triumphants from Glen Hope church just made the WMU Annual Session climactic. The music for the annual meeting is of exceptional quality.

I am grateful for the opportunity God has given me to serve you, and I look forward to an exciting year as we strive for a bigger and better music program for the Lord in Mt. Zion. Thank you for the support and cooperation you have shown.

Respectfully submitted,  
Larry Thompson, Director  
Associational Music

### **ORDINATIONS COMMITTEE REPORT**

On two occasions the Ordination Committee of the Mt. Zion Baptist Association was requested to examine candidates for ordination during the year 1977-78. On March 19, 1978, Walter Jones was examined at the request of the North Graham Baptist Church. On June 4, 1978, Steve Hearne was examined at the request of Hocutt Memorial Baptist Church and Eastlawn Baptist Church. The Ordinations Committee unanimously approved the candidates in each case. We found these men to be committed Christians with a clear calling to the ministry.

Respectfully submitted,  
M. Christopher White, Chairman  
Ordinations Committee

### **TIME, PLACE, AND PREACHER COMMITTEE**

The Time, Place and Preacher Committee recommends that the 110th Annual Meeting of the Mt. Zion Baptist Association be held Monday, October 22, Tuesday, October 23, and Wednesday, October 24, 1979.

The Committee recommends that the Monday evening session be held at Glen Hope Baptist Church, Burlington, the Tuesday evening session at First Baptist Church, Burlington, the Wednesday morning session at Cane Creek Baptist Church.

The Committee further recommends that the annual sermon be brought by J. Waugh with Ken Simpson as alternate, and that Charles Lemley deliver the doctrinal message with Terry Harper serving as alternate.

### **MEMBERSHIP COMMITTEE REPORT**

The Membership Committee of the Mt. Zion Baptist Association has reviewed the application of Nall Memorial Baptist Church of Burlington and find they have

completed the requirements for membership to the association.

Therefore, we recommend their admission and welcome them into our membership.

Respectfully submitted,  
Rev. W. Larry Thompson, Chairman

## CHRISTIAN SOCIAL MINISTRIES REPORT

In January of this year, we began a new ministry through Christian Social Ministries. Our approach was through the use of volunteers. In Alamance County, we found that all the service agencies were very receptive to our volunteer program and were anxious to use the volunteers from our churches.

Some of the "successes" of our volunteer program were:

- A group of people volunteered their efforts during an ice storm to help families with no electricity or food.

- One couple opened their home to be an emergency home for children and youth through the Department of Social Service.

- One young woman offered her time to be a tutor at the Baptist Emergency Home.

- A Baptist Young Women's group have plans to begin a weekly craft program at the Emergency Home.

- We have a representative on the Advisory Board of the Graham Prison Unit which supervises sponsors for the inmates.

- Youth people were trained in Backyard Bible school and many attended Backyard Bible Schools in local trailer parks.

The response from the churches was favorable, but there were many areas where volunteers could be used and we had no one to volunteer. Hopefully, we as Christians will realize that each of us has a special gift that we can offer to others. When we realize this, we will fill the volunteer needs and know that "if it is to be, it **IS** up to me!"

## HISTORICAL SKETCHES OF MT. ZION CHURCHES

Brief histories of Mt. Zion Churches are recorded in the Minutes of the years as herewith listed. The Association Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the Minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not recorded in the Minutes is inexplicable.

At the 1874 session of the Association, it was decided to elect a historian annually, The Minutes of 1875 record that "The report of the Historian was adopted and ordered to be recorded in the "Books of Records of the Association." No trace of this book exists. The historical sketches from 1921 are shown in Minutes as follows:

**ARTICLE I - NAME**

The name of this body is the "Mount Zion Baptist Association."

**ARTICLE II - PURPOSE**

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention and the Baptist State Convention of North Carolina.

**ARTICLE III - MEMBERSHIP**

SECTION 1. The Association shall be composed of cooperating Baptist churches within the Counties of Alamance and Orange in North Carolina.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and Bylaws. ## *Reports*

### **DIRECTOR OF MISSIONS REPORT**

Being Director of Missions of our Association is an entirely new dimension of ministry for me. While some of my gifts, abilities, and experience as a Pastor were readily adaptable to the Associational setting, the past seven and one-half months have been a time of adjusting, learning, and growing. That there is still much work for me to do in these areas needs hardly to be said. However, I am eager to learn, and I am grateful for your confidence in me and for your cooperation and patience with me.

Not a little of my time and thought have been invested in an attempt to gain a broader understanding of and a deeper appreciation for Baptist Associations. The most graphic definition of a Baptist Association that I know is: "Churches in fellowship on mission in their setting." This definition provides the context for my first report as your Director of Missions.

Essentially, fellowship is living out the reality of our oneness in Christ Jesus. It is more than cooperation among our churches; it is commitment to one another in mutual care and concern. Merely to be organized into an Association or to cooperate with each other is not necessarily to be in fellowship. Fellowship expresses itself most vividly and vitally when we become to each other what someone has described as, "The love of God with skin on." To this end let us devote ourselves, realizing that if we fail to nurture and enhance genuine fellowship among ourselves and our churches we have missed the essence of what it means to be an Association.

The quarterly meetings and new organizational structure which are being recommended in constitutional form will serve us well to this end. I hope that you will sense their value and approve them.

Being in fellowship as a group of churches is inherent in our nature as an Association, and being on mission together is our common task. This common task calls us to match our resources with our responsibilities, and it authenticates our cooperative efforts.

From my perspective numerous worthy objectives for Associational missions beckon us. The need to enlarge the Associational office or to relocate it in order to serve our churches better is not new. Nevertheless, it is a real need that deserves our careful attention. Consideration must be given also to finding a permanent location for our Emergency Care Home within the next three years. Bold Missions must remain vivid in our imaginations and central to our commitments.

At least two new opportunities for ministry challenge us. A door has opened to us on the campus of Elon College where, with your cooperation

and support, we may offer a meaningful ministry to students who come from Baptist backgrounds. Then there is the urgent appeal from our Home Mission Board to sponsor one or more Vietnamese refugee families. This appeal should not go unheeded. We have the resources as an Association to relieve the suffering of some of these people.

A whole new area of ministry called "Human Enrichment" is just beginning to emerge. Some of its vital aspects are marriage, family, and personal enrichment. As an Association we should be alert to the possibilities of this new field of ministry.

To emerge soon among North Carolina Baptists is a special ministry to mentally retarded persons. Given Mount Zion's history of being willing to venture at the expense of some risk, and given Alamance and Orange counties' excellent resources and sensitivity to this vital area of human concern, I call upon us to be instrumental in leading the way for this needed ministry by being open to participating in a pilot project if we have the opportunity.

To be in fellowship and to be on mission together are basic to our nature and calling as an Association. Our setting for ministry, then, is the area of our Association. While it is true that we are to be on mission to all the world, being on mission to all the world is different from being on mission in our setting. No amount of study, praying, giving, and sending alone will get the task done here in our Association. If it gets done, you and I must do it! This means that you and I are to be the missionaries! And, as I understand it, this is Bold Mission Thrust in its most elementary form.

The Association is the most viable means that Southern Baptist Churches have for offering a comprehensive ministry to their own area. No individual church is able to meet the number and variety of needs for ministry that exist in our area. Neither is the Baptist State Convention nor the Southern Baptist Convention able to do it. It can only be done if we, as an Association, join hearts, heads, and hands in fulfilling God's purpose for us.

To this end I reaffirm my individual commitment. I invite you and your church to join me.

## **EXECUTIVE BOARD REPORT**

For the second consecutive year the Association held quarterly meetings. Thus there were no meetings of the Executive Board. What follows, therefore, is a condensation of minutes of the January, April, and July meetings.

The Association met on January 15, 1979 at Fellowship Church. Mr. Johnny Greene presented the Missions Committee's Report which recommended that Dr. J. Howard Silver, Pastor of Northside Baptist Church, be elected Director of Missions. Put in the form of a motion by Mr. Greene and being seconded, Dr. Silver was unanimously elected. Mr. Graham Rogers, Treasurer, noted that financial records of the Association had been audited and were in good order. Mr. Rogers, representing the Finance Committee, recommended that the salary and allowances for the Director of Missions be changed from \$22,000 to \$23,500. This recommendation was approved. Mr. James Dunn presented a report from the Properties Committee recommending that the house occupied by the former Director of Missions be sold after it had appraised by three qualified persons. This recommendation was approved. Mrs. Marvin Bradley gave the W.M.U. report, noting that the Annual Meeting was scheduled for March

20, 1979 at First Baptist Church of Burlington. Rev. Richard Everett from the Department of Evangelism of the Baptist State Convention brought a message on the "Doctrine of Salvation." Dr. Silver then spoke briefly to the messengers, and he and his family were greeted by those present.

Riverside Baptist Church hosted the April meeting of the Association. Mr. Terrell Duncan, Chairman of the Finance Committee, presented two recommendations:

(1) That the net proceeds from the sale of the house owned by the Association be placed in a capital account to be used for future capital projects as directed by the Association.

(2) That the Director of Missions' salary be adjusted to accommodate an unforseen increase in his insurance premiums.

Both recommendations were approved. Rev. Ondra Black, representing the Missions Committee, made two recommendations:

(1) That Mrs. Reu Hudson be granted a year's leave of absence in order to serve in Volunteer Mission Work, and that her health insurance and retirement benefits be maintained by the Association.

(2) That a vacation and sick leave policy for Associational Personnel, developed by the Missions Committee, be approved.

Both recommendations were approved, and details of the sick leave and vacation policy are on file in the Associational office. Mrs. Lucille Nash, temporary office employee, Rev. Robert Pierce, new pastor at Bethel, and Rev. Bruce Martin, new pastor at Elon College, were introduced by the Director of Missions. Dr. Dale O'Steele, pastor of Burlington First Baptist Church, brought an inspiring message on Evangelism. Following his message, Dr. Steele gave the benediction.

On July 16, 1979 the Association met with the Antioch Baptist Church. An important part of the meeting was a Key-Leadership Conference. Rev. Ondra Black moved that the Constitution Committee look into the rewriting of the Constitution and a report be brought at the October meeting. After receiving a second, the motion was approved. Mr. James Dunn of the Properties Committee gave a report indicating that the house on Sycamore Street in Graham had been renovated and was ready for sale. There were two prospective purchasers. Mrs. Louise Booth gave the W.M.U. Report and Rev. Steve Hearne gave a report on Youth Activities. The Treasurer's report was given and approved. Two new Pastors were introduced: James Hall at Nall Memorial and Paul West at Swepsonville. Rev. Cecil Seagle, Pastor of Mulberry Baptist Church in Charlotte, N.C., brought an informative message on Church Growth and Development, after which the Rev. Wade Gainey, a member of Cross Roads Baptist Church, gave the benediction.

## SUNDAY SCHOOL REPORT

Accepting the job of Sunday School Director for the Association was certainly stepping out in faith for me. This is a first time effort on the Associational level. Due to a planned trip to Swaziland, Africa, I could not attend the training sessions at Ridgecrest in May. However, Mrs. Frances Martin most graciously stepped in to help me by attending in my place. Copies of all the training and promotional materials were gathered and turned over to me upon my return. Being overwhelmed with the abundance of material is an understatement of the year. We did, however, select a training module to use at the July 16 Associational meeting at Antioch

Church entitled, "Sunday School Program Emphasis." Upon a request from Mr. Loy at Swepsonville Church, the same presentation was made at the August Officers and Teachers Meeting. It is easy to see that we Southern Baptists lack not in promotional and training materials, however each church must decide what is most appropriate for their needs. I am available to assist you in evaluating your needs and in selecting what programs and training will best serve God in your lives.

Over the past several decades, one approach has met with continued success in reaching people for Christ, and that is the Start-A-Class approach. The requirements are quite simple, select a capable, Motivated Teacher, add to that a similar minded Outreach Leader, and a prospect list. Through prayer, and the empowering of the Holy Spirit, a new class will develop and just as Jesus taught His disciples, we, too, can disciple eager learners into a closer walk with Jesus through these peculiar times of uncertainty and trial.

Let me help you make and implement your plans for the exciting days ahead.

Respectfully submitted,  
Jim Hallsey, Sunday School Director  
Telephone 226-8261

### **BROTHERHOOD REPORT**

We were very encouraged in our opportunity to visit and speak to so many of the Baptist Men meetings, and to see the attendance and enthusiasm of the men. For 1979-80 we would like to make the following recommendations:

- (1) To seek out and find an Associational Baptist Men Director.
- (2) To seek out and find an Associational Royal Ambassador Director.
- (3) To install a well-rounded Brotherhood program in every church in our Association that is willing to work with us.
- (4) To participate in mission projects, working together with all churches in the Association.

There are others, but we realize that we must set goals that we can accomplish in a certain period of time. With the prayers and help from everyone in our Association, we know these goals can be accomplished.

We would not let a year go by without commending some of our churches for their work with Baptist Men and Royal Ambassadors:

Antioch  
Burlington First  
Graham First

Grove Park  
Kinnett Memorial

Respectfully submitted,  
Chuck Surles  
Brotherhood Director

### **CONSTITUTION COMMITTEE REPORT**

Our Constitution has been amended numerous times, almost annually, since 1964. These frequent amendments indicate a need to rewrite our Constitution. In addition to the frequent amendments, the new associational structure which was recommended at the one hundred ninth

annual session should be preserved in constitutional form.

In view of these needs, the association, during meeting in July, 1979, requested that the Constitution Committee rewrite our Constitution. In keeping with this responsibility, the Constitution has been rewritten, and it is to be found in form of a proposed Constitution and Bylaws elsewhere in this Book of Advanced Reports. The committee recommends that the proposed Constitution be adopted.

Respectfully Submitted,  
Rev. Joe Hicks, Chairman  
Constitution Committee

## **EMERGENCY CARE HOME REPORT**

In the year just concluded, fifty-one children and their families were served by our Emergency Care Home. A variety of services were rendered; including quality child care on a day-to-day basis, counseling, and working with families and custodians of the children toward a solution of the problems of child placement. It has been our greatest reward to see these families take the first step toward reuniting themselves with the help of the Baptist Children's Homes of North Carolina and the Mt. Zion Association.

There are many stories that come out of our encounters with families, court counselors, and social workers. Often, these stories are accompanied with deep emotional feeling that make Marie and me aware that there is a real need for the kind of ministry we offer. The support of the churches in the Mt. Zion Association and that of numerous individuals across the state make this ministry possible. Here's hoping that many more families can be served in the months and years ahead.

## **ASSOCIATIONAL COUNCIL REPORT**

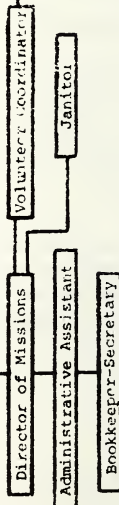

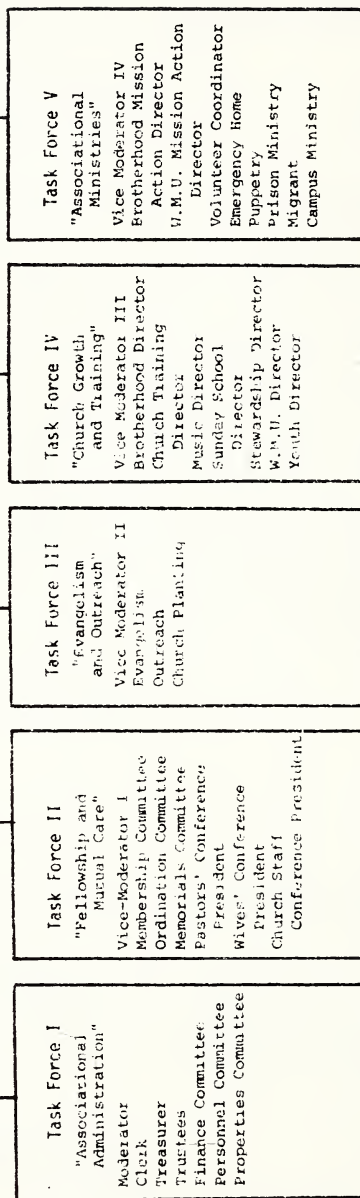

The Associational Council recommends that quarterly associational meetings become a permanent part of our associational structure. This recommendation is in keeping with the suggestions contained in the report of the Association Study Committee which was approved by the association at last year's October meeting.

Respectfully Submitted,  
Dr. J. Howard Silver, Chairman  
Associational Council

# THE ASSOCIATION

## THE COORDINATING COUNCIL (DIRECTOR OF MISSIONS AND MODERATORS OF TASK FORCES)

## MISSIONS COMMITTEE REPORT

The major objective of the Missions Committee since the last annual meeting has been the selection of a Director of Missions and the seeking of ways in which the Director could best be a leader of the programs and ministries. This has been accomplished while maintaining the standards you have demanded of us.

The Emergency Home, the Puppet Ministry, the Coordination of Volunteers have flourished and we look forward to far greater ministries with increased support and participation.

By mutual agreement with the Convention, and the Baptist Hospital, the Family Life Ministry has been terminated. All parties felt that the services were not being used to a great advantage and, since a comparable facility was available locally, it would be wise to discontinue the program.

The Missions Committee looks forward, with your leadership, to becoming involved in enriching the lives of others at Elon College and those of displaced persons. To that end the Committee makes the following recommendations:

(1) That Mount Zion Baptist Association begin a Baptist Student Ministry to the students on the campus of Elon College. This ministry is to be under the direction of an Associational Campus Ministry Committee and in cooperation with Campus and Youth Ministries Department of the Baptist State Convention.

(2) That Mount Zion Baptist Association, in response to the appeal from our Home Mission Board, accept the responsibility for sponsoring two Vietnamese refugee families until they are able to be self-supporting.

We solicit your prayers, your suggestions, and your participation in the greatest work in the world.

Respectfully submitted,  
Johnny P. Greene  
Chairman

## ORDINATIONS COMMITTEE REPORT

On four occasions the Ordination Committee of the Mt. Zion Baptist Association was called into session for the purpose of examining candidates for ordination. On March 18, the committee met with Mike Wilburn at First Baptist Church, Elon College. After much prayerful deliberation, the committee felt it could not recommend ordination at that time. On May 6, the committee met with Robert Ward Baker, First Baptist Church, Alamance. It was the unanimous decision of the committee to recommend ordination. On July 29, the committee met with James Hall, Nall Memorial Baptist Church. The committee recommended ordination. On September 9, the committee met with Gregory Allen Raines, West Hill Baptist Church. The committee recommended ordination.

Respectfully Submitted,  
ORDINATION COMMITTEE

## EVANGELISM COMMITTEE REPORT

An important area of Bold Missions for our Association is the area of Evangelism. If the Mt. Zion Association is to double baptisms by 1982, there must be a significant change in the attitude of the church members of the Mt. Zion Association. There is no way for the pastors to double baptisms. The only way for baptisms to be doubled is for church members who are saved to present the plan of salvation to unsaved persons and lead them to make a commitment to Jesus Christ.

A definition of evangelism has been suggested by the State Task Force on Evangelism meeting at the Caraway Conference Center. The definition is as follows:

Evangelism is sharing the good news of Jesus Christ with non-Christian persons so that the lost are confronted with an opportunity, through the power of the Holy Spirit, to receive Jesus Christ by faith, as their Savior, from the guilt and power of sin; to love, know, and follow Him as their Lord, in the fellowship of the church, growing in maturity in Christ, in order to minister and witness in all the arenas of life.

To carry out this work your Association has resources and leadership available. The Baptist State Convention multiplies these resources and leadership training sessions.

The Youth Evangelism Teams and Youth Ministry Weeks at the North Carolina Baptist Assembly, the Youth Evangelism Night, the Renewal Evangelism Clinics and Lay Evangelism Schools, and a multitude of other opportunities are available.

None of the resources will work until the attitude of the church member is changed. And only the Holy Spirit can do that.

Your Evangelism Committee urges you to pray for the leadership of God's Holy Spirit working in the lives of church members of our Association in order that the Bold Mission goals can be met.

## WOMAN'S MISSIONARY UNION 1978 - 79

Woman's Missionary Union again reached the highest level of recognition for the past year. To be "Distinguished" requires work and cooperation. "Teach Missions: To Live, To Give" is the last of a three-year emphasis on improving the image and quality of mission study. Interwoven in all the plans of all the age-level activities were Mission Study, Mission Action, Direct Evangelism and Mission Support.

We commend the following WMU organizations for their achievements in 1977-78:

**DISTINGUISHED**

The seventy-third Annual Session of Woman's Missionary Union met at Burlington First on March 20, 1979 with registration of 292 from 31 churches. The missionary speaker was Rev. Zeb Moss of Kenya. Other guest speakers were Ricky and Carolyn Faulk, Mrs. Gary Miller, Miss Annie Ivey, and Dr. Howard Silver. The next Annual meeting is March 18, 1980 at Hillsborough First.

This year we welcomed home Betty Ann Mincey, Journeyman to Nigeria, and said goodbye to Sharon and Charles Knight and family as they left for language study in France. Their address is: 1 Allee Francois Sicard, Residence Gallardon, Apartment No. 305, 37170 Chambray-Les-Tours, France. We are waiting and praying with Carolyn and Ricky Faulk at Mebane First. They have been accepted by the Foreign Mission Board under the VIM program and expect to be assigned soon. **THIS IS BOLD MISSIONS!** In Annual Session two years ago a plan was adopted by our Southern Baptist Convention to enlist by 1982 1,000 home and foreign career missionaries, and by the turn of the century to have 5,000 career missionaries serving on a mission field. To accomplish this goal, volunteers are needed on a career as well as short-term basis. If you cannot apply for service, you can become a sponsor by writing for a Sponsor Commitment Form from Mission Service Corps, SBC, P.O. Box 7203, Atlanta, Georgia 38309.

Throughout the new year 1979-80, all age-level organizations zero in on various aspects of Christian lifestyle and suggest ways of making life-changing commitments.

### CHRISTIAN SOCIAL MINISTRIES REPORT

This year our Volunteer Program has worked in several different areas. One Baptist Young Women group started a tutoring program and one member of that group went every week to help a child with an area in which special help was needed. Different groups also went into the Emergency Home and assisted with crafts and baking to help the children celebrate special holidays.

Baptist Student Union was begun during the year and is still going on. It is a small BSU, but some needs are being met on the Elon College Campus.

We had a voice on the Graham Prison Advisory Committee. The Committee is moving slowly, however Mount Zion is a part of the process.

Many people called and responded to the Volunteer Program and as a result, lives have been touched with the spirit and love of God. We hope more people will become involved with the Volunteer Program. God commands us to love our neighbor and a good way they can see His love is through our involvement.

Respectfully submitted,  
Brenda Beam  
Volunteer Coordinator

## **YOUTH REPORT**

On August 17, 1979, a group from our Association attended the Youth Evangelism Night at the Greensboro Coliseum. Several churches were represented as we took two busloads to the service. Immediately following the service, 110 Youth and Leaders attended a showing of the film, "Deceived." There was also a time of food and fellowship. I believe these events were very helpful and informative for our Youth and I am looking forward to future events together.

Respectfully submitted,  
Steve Hearne  
Youth Coordinator

## **BAPTIST CHILDREN'S HOMES REPORT**

Children in the care of the Baptist Children's Homes are like children anywhere you find them. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are being attended, they are happily at play and they are contributing to the lives of the people close to them. Many of them are finding it possible to become a part of a reestablished family because the important relatives in their lives are served by the Children's Homes while the child is in care.

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts societal pressures. This is a real challenge.

Piedmont North Carolina families have ready access to statewide services offered by the Baptist Children's Homes. The institutions' administrative offices are located in Thomasville and provide a supportive resource. Mills Home is located there as well to offer group care, social work, counsel, education, religious training and referral.

A Family Services Center headquartered in Charlotte and serving eight surrounding counties has successfully piloted the concept of community based services and is another resource in emergency care to all the piedmont. The piedmont also has an emergency care center in Burlington, a specialized program at Wall Home, foster homes services, the Child Development Center at Mills Home, and other family education services available to all of North Carolina.

Every effort is being made to be a part of and cooperate with the Bold Missions program of advance fostered by the Baptist State Convention in cooperation with the local church.

An indepth, comprehensive self-study of every segment of the Baptist Children's Homes is just being concluded by the institution's trustees. The study has taken two years and projects the future direction of the Homes over the next decades.

A major portion of the 1978-79 operating budget of the Homes comes from the local church through the Cooperative Program, Special Gifts and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optimistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders, and Association leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with these concerned people.

## MUSIC REPORT

Music is a vital part of the church's ministry as well as the Association. During the past year, we have had four sessions to which the Music Directors have been invited. These have been very helpful as we have some ideas now that will help us to progress in our Associational Music Ministry.

Two things that particularly interest us are (1) we plan to set up a zone system in our Association where there will be a man or woman who contacts four or five churches about our meetings, encourages attendance and will help to find out the needs of these churches and get helps for them where they are needed, and (2) we plan to start a library of cantatas and other music that churches have found helpful and will be willing to place in the library. This music will be placed in the Associational office in order that it may be loaned out for a certain period of time. This will help those churches that find it difficult to purchase music at its high cost, and we hope will provide a selection of good music for our churches.

Many pointers on what can be done as an Association were brought before the Music Directors at the Key Leadership Conference at Ridgecrest. One thing we hope to put into practice is a talent survey of the churches in our Association to find out about people who are instrumentalists, special groups, etc. that could be used not only in their own church but throughout the Association. We are aware of the talents in our churches and wish to put them to use.

May I encourage the churches to send their music leaders to the many training opportunities offered to them each year. Opportunities for training are available for volunteer music leaders at Camp Caraway, and Music Weeks at Ridgecrest and North Carolina Baptist Assembly at Caswell.

One note of encouragement is that while many of our programs across our state have declined over the past year, music enrollment continues to increase.

We look forward to a good year and hopefully a real encouraging year in the music work.

Respectfully submitted,  
Larry Thompson, Director  
Associational Music

## REPORT OF THE RESOLUTIONS COMMITTEE

### RESOLUTION NO. 1:

**Whereas**, the seminaries of our Southern Baptist Convention have long been instrumental in the preparation of God-called persons for Christian ministry, and

**Whereas**, these seminaries have, at times, been the object of undue criticism,

Therefore be it **Resolved**, that we, the membership of the Mount Zion Baptist Association, will affirm our support for the seminaries, as they endeavor to glorify Christ through the ministry of providing professional training for the Christian ministry.

### RESOLUTION NO. 2:

**Whereas**, Wake Forest University has been an important institution in the lives of North Carolina Baptists since its birth in 1834, and

**Whereas**, the relationship of the Baptist State Convention of North Carolina to Wake Forest University has been the subject of much discussion and, indeed, controversy, and

**Whereas**, the subject regarding the relationship of the Baptist State Convention of North Carolina to Wake Forest University is sure to be a significant issue in the upcoming meeting of the Baptist State Convention of North Carolina, to be held in Winston-Salem on November 12-14,

Therefore be it **Resolved**, that we, the membership of the Mount Zion Baptist Association, will dutifully and faithfully engage in prayer for the appropriate handling of this delicate issue.

Be it further **RESOLVED**, that we, the membership of the Mount Zion Baptist Association, will not be lax in our efforts to see that all such business of which we are a part, be conducted in accordance with Christian principles, seeking only to bring honor and glory to the name of our Lord and Savior Jesus Christ.

### RESOLUTION NO. 3:

**Whereas**, this 110th annual session of the Mount Zion Baptist Association has been graciously and warmly received by the Glen Hope Baptist Church, the First Baptist Church of Burlington, and the Cane Creek Baptist Church, and whereas this Association of churches has been led by very capable leadership:

(1) to these host churches and their leaders for their hospitality and the use of their facilities;

## HISTORICAL SKETCHES OF MT. ZION CHURCHES

Brief histories of Mt. Zion Churches are recorded in the Minutes of the years as herewith listed. The Association Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the Minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not recorded in the Minutes is inexplicable.

At the 1874 session of the Association, it was decided to elect a historian annually, The Minutes of 1875 record that "The report of the Historian was adopted and ordered to be recorded in the "Books of Records of the Association." No trace of this book exists. The historical sketches from 1921 are shown in Minutes as follows:

# Dedication

**ROBERT LACY COUNCILMAN**  
(1906 - 1980)

Born in Alamance County at Carolina Village, Robert Lacy Councilman grew up nurtured by the First Baptist Church of Burlington. It was there, after his profession of faith and later his call to the Christian ministry, that he was ordained. Pastor Martin W. Buck and others in the church gave encouragement and support in many ways - throughout his 13 years of educational preparation: Burlington High School (two years), Campbell College (diploma), Wake Forest College (B.A. degree), and Southern Baptist Theological Seminary (Th.M.). In 1933 he was married in that church to Emily Mae Sargent. Bob and Emily have one daughter, Mrs. R. Neil Chafin, and two grandchildren, Chris and Betsy.

During his college years he held a student pastorate at Holly Springs Baptist Church; and at the seminary he was a pastor of Evergreen Baptist Church near Frankfurt, Kentucky. Beginning in 1933, he held North Carolina pastorates: First Baptist of Morganton; Four Oaks Baptist Church of Four Oaks; Stoney Creek at Rocky Mount and New Hope at Wilson; Cashie Baptist at Windsor; and Whitnel Baptist at Lenoir.

After moving to Burlington in 1950, he held two pastorates - Glencoe Baptist and Northside Baptist. He also served a term as moderator of the Mount Zion Baptist Association. Interim pastorates in the association included: Baynes Chapel, Kerr's Chapel, and Fairview Baptist Church.

Bob became the first pastor of Northside while it was still a mission of First Baptist Church of Burlington, and for 10 years after it became a church. In the beginning of its history he led the church to take seriously the call to missions, designating 25 percent of its undesignated offerings to the Cooperative Program. For many years Northside led all others in Mount Zion Association in per member giving through the Cooperative Program.

Bob's ministry, as his life, has been one of commitment to God and his call, and to growth in Christian love to all people. His love began at home and with his own

church family, wherever that might be, and reached out to all people everywhere, no matter what class or creed, nationality or color of skin. He believed that absolute love, as Jesus showed by his life, death and resurrection, could conquer any other power. He came to accept Jesus' admonition, "Seek ye first the kingdom of God and His righteousness" not merely as words to read or say, but words to risk living by. And many times in his own life and the life of the church he pastored, all things needful were added in overflowing measure after the "seeking first" in spirit and in truth.

His commitment:

"... perfect love casts out fear."

"Make love your aim and earnestly desire the spiritual gifts..."

"... let all that is done be done in love."

## Director of Missions Report

While browsing through the history of Mount Zion Baptist Association, I came across an interesting incident, among many others, that is worth recalling.

The incident concerns the selection of a name for our association when it was organized on September 23, 1870. The name "New Hope" was suggested. The name "New Hope" was proposed in honor of New Hope Creek which ran nearby. The Reverend Mr. W.R. Gwaltney, a pastor in the newly formed association, objected to the name "New Hope." He contended that that name was inappropriate for the new association because the waters of the creek in his words, "were too sluggish."

Perhaps the Reverend Mr. Gwaltney said more than he realized. I should like to hope that his words were prophetic. It is our mutual responsibility to see that our association does not become "sluggish."

The past year has been a busy one for our association. We have begun two new ministries, and they have progressed well. Our ministry to our Indo-Chinese friends (refugees) has demanded much time and attention, and we will need to continue this ministry throughout the coming year. Our ministry to students at Elon College was begun last January, and it is off to an even better start this academic year (see the Missions Committee's report on page 8, Book of Reports, for more details about these new ministries).

The quarterly meetings have resulted in a much broader participation of both churches and messengers in the ministry of our association. Fellowship among our people is at a high level. A pastors' support group and a pastors' wives support group have been organized, and they are functioning well. We shall continue to utilize our opportunities and resources to the greatest possible advantage to enhance and increase a genuine sense of Christian fellowship among our churches and people.

I commend the churches in our association for their prompt and generous response to the financial needs of the Eastlawn Church. This is another indication of the high level of mutual care and sharing that are so essential to our ministry as a Baptist association.

The need and opportunity to extend our association's ministry into areas yet untouched by our witness are challenging. The Home Mission Board and the Baptist State Convention stand ready now to cooperate with us in having a full time Christian social ministries director in our association. This would enable our association to offer in our own area many of the same types of ministry that are being offered in other areas in our nation by the Home Mission Board and in North Carolina by the Baptist State Convention.

Much thought and study have been given to the possibility of our taking this bold step in associational ministry. In my judgment it will require another year of preparation and planning. I ask you to join your Missions Committee in prayer as we seek God's will for us in this vital area of associational ministries.

The lack of funds continues to limit our ability to minister as an association. I join your Finance Committee in requesting our churches to move toward giving to associational missions on a percentage basis. We do not need money for money's sake. However, it does require money to provide Christian ministries, and our churches are the source from which our funds for ministry come.

As we move into a new associational year, I should like to mention four exciting and promising events that deserve not only our interest, but also our mutual concern and commitment.

For the first time, as far as I know, the annual Home Mission Study, scheduled for February 15-18, 1981, will focus upon the association as a viable missions entity. I

urge churches to plan well for this mission study, and I encourage the broadest possible participation. Audio-visuals and other materials are being prepared by your association to help with this study.

Association Emphasis Week is scheduled for the week of May 17-23, 1981. This is an excellent opportunity to inform our people about the nature, purpose, and objectives of our association. We stand ready to help in any way we can in this regard.

There will be a concentrated emphasis in 1981 upon the meaning of discipleship. It's called "Churchmanship," and you will hear much about it. It is my prayer that we shall be sensitive and hospitable to this effort to strengthen our churches and our people for their Christian responsibilities.

Finally, we are looking toward and making plans for simultaneous revivals in the spring of 1982. This will be a statewide evangelistic outreach, the theme of which is "Here's Hope." We shall be cooperating with the black churches of the General Baptist Convention in this effort to reach the unsaved in our state for Christ. While you will be hearing much more about this later, we need now to be praying that God will use Baptists in North Carolina, both black and white, in an unprecedented way to win lost people.

In conclusion, I express my sincere appreciation for your confidence and cooperation. I am honored to be your director of missions, and I thank God for the privilege of serving in this association.

Respectfully submitted,  
J. Howard Silver  
Director of Missions

## Quarterly Associational Meetings

The following is a condensation of minutes of the January, April, and July meetings.

On January 14, 1980 the association met with the Holly Hill Baptist Church. Dr. Dale Steele brought a recommendation from the Coordinating Council that a space study be made of our associational office. The Coordinating Council recommended that we empower the Properties Committee to determine whether any additional space was needed and report their findings to the association at the July meeting. This motion was carried. Mrs. Louise Booth, W.M.U. director, called attention to the Home Mission Study Institute to be held January 24, as well as the state W.M.U. Convention scheduled for March 14-15. Tom Hill, chairman of the Missions Committee, reported that the family we were expecting from Cambodia would soon arrive. At that time we were expecting two brothers, a cousin, and a sister-in-law. Mr. Hill requested furniture and needed items to house these refugees. Edna Smith announced the survival English course to be taught on January 18 and would be especially helpful to those planning to work with these refugees. Rev. William Cashman III, pastor of Brookwood Baptist Church, was welcomed into our association. Our guest speaker was Dr. James E. Tull, retired professor of systematic theology at Southeastern Seminary. He spoke on the "Doctrine of Missions."

The April meeting was hosted by Eastlawn Baptist Church, with special emphasis on the 150th anniversary of our Baptist State Convention of North Carolina. Miss Sara Ann Hobbs, director of the division of missions of our state convention talked about the new publication, "Baptists Working Together." Dr. Howard Silver spoke of our "Reason for Being as an Association" and Mr. James Powell, director of Cooperative Program Promotion with the Stewardship Commission S.B.C. brought a tremendous message to those present on "Mission Support."

On July 18, 1980 the association met at Mebane First Baptist Church for our Key Leadership Conference. Tommy and Susan McDearis of Cane Creek, Phillip Nor-

wood of Northside, and Felton Massey of Glencoe were introduced by the director of missions, and these new pastors and wives were warmly welcomed. The Properties Committee gave their report at this meeting and it was voted to accept this special report from this committee. A special guest was Jim Simpson of the church training department of our state convention who led the conference on church training. Special speaker for the meeting was Reverend Jim Royston, pastor of Carolina Pines Baptist Church of Raleigh who spoke on "Church Growth."

## Sunday School Report

The purpose and goals of every Sunday school are to REACH and TEACH people about Jesus Christ. To help them understand the good news about His gift to us - eternal life with Him in heaven.

To help you, the churches of Mount Zion Baptist Association, to accomplish this imperative command, we stand dedicated to do all in our power to help you accomplish those goals.

The Mount Zion Sunday school staff has been to several training sessions this year:

- a) ASSIST Training Institute at Ridgecrest
- b) Associational Key Leadership at Ridgecrest

Training has been offered at the quarterly meetings and it has been so wonderful to see the hungry people come from a few churches to feed on the "bread of life." There is room for so many more!

The Vacation Bible School Clinic was very well attended, yet some of you couldn't find a representative for each age group.

The days are short and we must readjust our priorities to see what the Lord has in store for us. Is it to be pain and frustration or is it possible through careful prayer, studying His word, and obeying His command that we can be happy, fruitful, and continue in the "Joy of the Lord" throughout whatever befalls us?

I challenge you, each one, that if your Sunday school needs improvement, then "you decide" that it will be done! If you need help, ask for it. If the associational Sunday school staff cannot do it, we will all pray together and reach out into other areas (state and S.B.C.) until the best available will be there to fulfill that need. Pray, go, ask!

Respectfully submitted,  
Jim Hallsey  
Sunday School Director

## Brotherhood Report

We in the brotherhood department are thankful and praise God for the year 1980 as we saw quite a few changes throughout the year.

1. We will no longer be known as the brotherhood but as of this year we will be known as Baptist Men.
2. After a lot of praying and searching, God sent Andy Brown from Grove Park Baptist Church to be our R.A. director. Andy started immediately by having our first associational track meet which was very well attended by the churches in our association. We had over 125 boys in the different events. We plan these track meets annually along with other activities. Andy Brown will be contacting all the churches in the association about organizing an effective R.A. program in their church. Thank you, Andy, for a good job and we give God the glory.
3. God also sent us W.D. (Bill) McGowan from Glen Hope Baptist Church as our Baptist Men director. Bill will have a big undertaking and will need the prayers and help of everyone in the association. He will be contacting all the pastors in

the association about implementing all the different Baptist Men programs in their churches and will surely need their help.

There are a lot more exciting things that have happened throughout the year but we will not take the space to recall them all. We do thank God for each and every one of them.

We are looking forward to 1981, and I know that I speak for Bill McGowan and Andy Brown in asking again for your prayers and cooperation in helping to make this the best year yet.

Respectfully submitted,  
Charles M. Surles  
Brotherhood Director

## **Emergency Care Home Report**

The Burlington Emergency Care Home served 34 children and their families during 1979. In addition to the quality of emergency child care other services were rendered including family counseling, problem solving sessions with families and children, and long term placement planning for children in care. Many families were reunited as a result of the emergency placement at the Burlington Emergency Home.

The Burlington Emergency Home will continue to be a vital resource for immediate child care placement in the future. The enthusiastic support from the churches in the Mount Zion Association and the countless individuals across the state make this ministry possible.

A word of thanks and appreciation is due to all the dedicated individuals who have supported the Emergency Care Home this past year.

Respectfully,  
Wayne Drumheller, Director  
Burlington Emergency Care Home

## **Youth Coordinator Report**

On Saturday, March 15, 1980, there was an associational Youth Night held at Hocutt Memorial Baptist Church. There was very good response from several of the churches within the Mount Zion Association. Approximately 125 youth and leaders attended this time of fellowship together. The evening began with a few games to "break the ice." This was followed by refreshments and the showing of the film, "The Cross and the Switchblade." The film presented the story of a former gang leader, Nicky Cruz, and his conversion to Christianity. The reaction and comments concerning this event were very favorable, and I believe the evening was successful in allowing the youth of the association to come together for both fellowship and growth.

Respectfully submitted,  
Stephen Z. Hearne  
Youth Coordinator

## **Ordination Committee Report**

The Ordination Committee of the Mount Zion Baptist Association met on April 10, 1980 at the request of the Grove Park Baptist Church to examine David Morton as a candidate for the gospel ministry. It was the unanimous decision of the committee to recommend his ordination.

Respectfully submitted,  
Ralph E. Jones, Jr. Chairman  
Ordination Committee

## Missions Committee Report

The Missions Committee, in keeping with the action taken by the association during the October meeting last year, has extended the ministry of our association into two vital areas. The first area is that of refugee sponsorship, and the second area is that of establishing a presence and ministry on the campus of Elon College.

Two Indo-Chinese families were welcomed into our association and provided homes in the Brookwood Gardens Apartment complex.

Si Coan Chang and Chi Choan Chang arrived on January 22, 1980. A Mui Vong, a widow of 11 years, and her son, Khinh, arrived on May 8. While our ministry to these homeless people has progressed well, it has required much effort and involvement on the part of many people of our association. Moreover, certain adjustments in our approach to this ministry have been necessary when changing circumstances warranted them.

Si Coan Chang chose to move to Utah the first of September, 1980. He wanted to be with friends who live there. Chi Choan Chang, who arrived with him, is living with Mr. and Mrs. Bill Keasler, members of the Holly Hill Baptist Church. He is currently attending Williams High School. A Mui Vong is employed at home by a local textile firm, and her son, Khinh is attending Hillcrest School.

Our ministry to these people is a continuing one and your prayers, interest, and support are needed.

Our association began a student ministry at Elon College last year. This ministry has also progressed well, thanks to Brenda Beam, Bruce Martin, and Alan Riley.

Prospects for a broader ministry on the Elon Campus for this school year are more promising. This is evidenced by more student interest, and a larger number of the students who are responding to our efforts. This too is an ongoing ministry that deserves all our prayers and support.

The Emergency Care Home ministry continues to be strong and effective. The ministry of our association in the area of emergency care has become a model for a number of other associations which have moved into this particular area of Christian ministry.

Some repair work at the Emergency Care Home has been completed under the direction of Mr. Ralph Wilson, but some additional repair work remains to be done by the owner of the Emergency Care Home.

We would like to point out pressing needs in different areas of ministry: (a) week-day ministries: literacy, Big "A" Clubs, Backyard Bible Clubs and counseling; (b) youth/children and family ministries; (c) singles ministry; (d) senior adult ministry; (e) foster grandparents; (f) prison ministry; (g) exceptional people ministry; (h) migrant ministry; (i) crisis intervention for emergencies; (j) disaster relief; (k) drug abuse ministry; (l) alcohol abuse ministry; and (m) criminal justice system.

If we are to expand the ministry of Mt. Zion, the Missions Committee would like for each of you to pray for much needed help in this area. We as a committee know that part-time help will not be enough. We would like to project in the near future a full-time person for this task.

Respectfully submitted,  
Tom Hill, Chairman

## Volunteer Coordinator Report

On March 1, 1980, Reu Kayle assumed the position of volunteer coordinator in cooperation with the association and the state convention. This position had formerly been held by Mrs. Brenda Beam.

During prior months, a need has surfaced within the association to begin a minis-

try to single adults under the 40-year age group. Several planning meetings with six singles resulted in a fellowship hour planned for March 22, at the Eastlawn Baptist Church, with 23 singles participating. Plans were made for an informal game night to take place on April 12, with special provisions for the children. Further plans were made for another game night in May and a cookout and picnic in June, both of which included the children. The plans for July included a trip to Carowinds and an all day picnic to Tanglewood Park.

A weekly ministry to Care-Inn was begun in April, including crafts, music and visitation. Volunteers from six churches, including Grove Park, Kinnett Memorial, Colonial Hills, Holly Hill, Burlington First and Nall Memorial, participated in the weekly visits. In June, Reu carried the puppet team to Care-Inn for a program of skits and music.

Reu underwent major surgery early in July, consequently many Christian social ministry plans and activities had to be canceled or curtailed. Feeling that she was not physically able to resume her responsibilities, Reu resigned the position of volunteer coordinator effective October 1, 1980.

## Evangelism Committee Report

Our great responsibility is to proclaim the message of the gospel with clarity and enthusiasm under the authority of the Holy Spirit. Evangelism isn't complete until those who respond are shepherded into a loving fellowship of redeemed persons who are growing in grace and knowledge.

The new life in Christ shows in all of our motives, attitudes and actions. As we grow in Christ, we seek to do three things that are essential.

1. To seek earnestly to be completely assured in our hearts and minds that the only hope for us and all people is Christ - Christ as He and His gospel are revealed by the Holy Spirit through the Bible, the inspired and inerrant Word of God.
2. To propose to engage daily in searching the Scriptures and in praying for spiritual revival in the churches. Some have made a beginning in this vital matter and all other Christians should join them and continue steadfastly therein.
3. To proclaim faithfully "publicly and from house to house" (Acts 20:20) the glorious gospel of Christ, and to make this purpose central in all church plans, programs and activities.

I am grateful to Clarence Vaughn for setting forth these "musts" in 1969. They are true more than a decade later.

Respectfully submitted,  
Dale O. Steele, Chairman  
Evangelism Committee

## Music Report

Music brings much excitement into our worship and brings us closer together as a fellowship of believers. Certainly there would be a vacant place in the life of our churches as well as our association without a music ministry.

Two of the highlights of the 1979 annual meeting were the mini concerts presented by the "Celebration Singers" and Ms. Olive Jenkins on the harp. These were extra special and created such a feeling of warmth to get our meeting off to a good start. Many others have helped to provide music throughout the year such as Judy Ritchie of Graham, First. David McMillan of Mebane, First, J.C. Pierce of Haw River, First, Alan Riley of Holly Hill and others. We appreciate their service to our Lord and the association in this way.

Many activities are coming up in the new year which will be of interest to you, and I hope you will take advantage of the opportunities made available to you. Some important dates are listed below:

March 6-7	State Youth Choir Festival	Calvary, Winston-Salem
April 27-29	North Carolina Music Conference	Caraway
June 29-July 4	Children's Choir Camp	Caswell
July 6-10	Children's Choir Camp	Mars Hill
July 6-10	Youth Music Week	Camp Truett
July 27-Aug. 1	Youth/Adult Music Conference	Caswell
October 2-3	Music Approved Worker Training and Music in Evangelism Conference	Caraway

These are only a few of the opportunities coming your way. I urge you or your choir to take part.

Respectfully submitted,  
Larry Thompson, Director  
Associational Music

## Finance Committee Report

*"Moreover it is required of a steward that he be found faithful." (I Cor. 4:2)*

*"To whom much is given . . . much is required . . ." (Luke 12:48)*

The plumb-line of scripture calls us to the task of evaluating our stewardship priorities. This present decade is calling for Christians to examine their commitments. Are we tied more to Christ or culture? Is our concern more for our ease or the world's needs?

The Finance Committee would like to suggest to the Mount Zion Baptist Association the following:

1. That each church examine its own stewardship priorities and adjust them to become more mission oriented.
2. That Baptists lead the way in seeking to simplify lifestyles in order that more can be given to missions and ministries.
3. That each congregation give a definite percentage of their budget to associational missions so that we can more effectively minister in this area.
4. That budget committees and congregations reemphasize the Bold Advance goals set forth for the next few years and seek to reach them.

These are days when we must not react with fear and selfishness. Rather we are called to go forth in faith and selflessness. We have access to all that we need to do all that the Father desires of us.

The Finance Committee recommends that the ministry proposals for 1981 be approved as presented on page 23 in the Book of Advanced Reports.

Moreover, the Finance Committee recommends that Section VII, Capital Improvements, be underwritten with funds from the association's capital improvement account. By way of explanation, the association has \$25,000.00 in a capital fund and the use of monies from this account must be approved by the association.

Your Finance Committee stands ready to assist you as we enter these challenging days.

In planning for the future remember these words . . . "Seek first the Kingdom of God and His righteousness." This done . . . our Father will see to it that our needs are met.

Respectfully submitted,  
James Ballard, Chairman  
Finance Committee

## Coordinating Council Report

The Coordinating Council, comprised of the moderator, the four vice moderators, and the director of missions, has met regularly on a monthly basis during the year. The council has been available to the director of missions for counsel and advice, and the council has been aware of all matters of concern that affect the life and ministry of the association.

In July, 1980, the council sent a letter to our churches describing the financial needs of the Eastlawn congregation. The response to this letter was both prompt and generous. As of October, 1980, \$10,955.80 has come through the associational office designated for Eastlawn. The Coordinating Council acknowledges, with gratitude and appreciation, the response our churches have made regarding this particular need.

The council also acknowledges with gratitude the support for associational missions that our churches have provided during the past year. Moreover, it encourages every church to participate fully in the life of the association and to share its varied ministries.

The Coordinating Council offers two recommendations to the association.

### Recommendation No. 1

That, upon the recommendation from the Personnel Committee, Mrs. Diane F. Smith be called as associational bookkeeper-secretary to replace Mrs. Edna J. Smith whose resignation becomes effective October 31, 1980. Diane will work five hours per day, five days per week. Her beginning salary is to be \$5,200.00 per year.

### Recommendation No. 2

That the Properties Committee be authorized to exercise options 2 through 6 offered in its report that was presented to the association at its July meeting, relative to the need for additional space in the associational office. Options 2 through 6 of the Properties Committee report are:

2. Authorize the Properties Committee to determine the feasibility of providing additional office space on the associational property.

3. Authorize the Properties Committee and Finance Committee to explore ways and means of financing an addition to the present office facility.

4. Authorize the Properties Committee to determine the feasibility of providing a new associational office facility, and gather preliminary data, including possible location, size of building needed, estimated construction costs and length of construction time.

5. Authorize the Properties Committee and Finance Committee to explore ways and means of financing construction of a new office facility.

6. Authorize the Properties Committee to have the associational property appraised and determine whether it can be sold for its current value.

Respectfully submitted,  
J. Howard Silver, Chairman  
Associational Coordinating Council

## Baptist Children's Homes Report

The Baptist Children's Homes of North Carolina, Incorporated is an institution of the Baptist State Convention and provides a Christian ministry of child care and family services.

During the past three years, members of the board of trustees and members of the administrative staff of the homes completed an in-depth evaluation of the institution's total program of services. We share three significant statements from that report.

"The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) the confidence and support of an informed and devoted constituency.

"At this time the Baptist Children's Homes of North Carolina, Incorporated is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence, and the faithful work of His people engaged in this ministry.

"This is not a time for complacency in child care and family services in North Carolina. It is a time for rigorous study, reflective planning, earnest prayer, and courageous action."

Progress is being made in implementing recommendations from the trustee evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily available to people who need our help anywhere in the state. Nine family services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville and Ahsokie.

The lives of more than 4,500 people were affected in a significant way by the services of the Baptist Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While ser-

ving children and young people, work was being done with important adults in their lives.

Necessary to the fulfillment of the mission of the Baptist Children's Homes are *people* resources, financial resources and spiritual resources. We are blessed with all of these. You, along with many other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your giving and through various types of involvement. Members of our board of trustees and members of our staff, with your assistance, are dedicated to a continuing Christian ministry to children and members of their families.

## History of Brookwood Baptist Church

After an extensive survey in the Brookwood area of Burlington, it was confirmed that a Baptist church was needed in that section. On September 7, 1942 in a little wooden store building on Hawthorne Lane, the Brookwood Mission was started under the sponsorship of Hocutt Memorial Baptist Church. It was a bold venture in war times.

About 50 people attended the first service with Reverend A.P. Stephens, pastor of the mother church, delivering the sermon. Charter members numbered 34 with Mr.

W.W. Walker serving as the first Sunday school teacher, and Mrs. Ella Askew the first W.M.U. leader. Other members of Hocutt Memorial who taught classes were Mrs. Mittie Rainey, Mrs. J.J. Lassiter, Mrs. Jessie Cornell, and Mr. Frank Fagan was the first Sunday school superintendent.

On October 19, 1945 this group of charter members chose "Brookwood Baptist Church" as the name of their new church and land was purchased on West Davis Street by Hocutt Memorial and a framed building erected as the first unit. Much of the work was done by people of the community and church members. Actual organization came on October 21, 1945.

Reverend Guthrie Colvard was called to serve as first pastor of the new church. He came in the fall of 1945, and at this time a seven-room parsonage was constructed adjacent to the church on Garfield Road. This served until 1979 when the structure was moved to West Davis Street and sold.

Progress was noted so that plans were laid for the new brick church to be constructed with the building committee made up of Frank Fagan, Jake Neeley, C.H. Flynt, Rex Hudson, Roy Stanley, Mrs. Mary Terrell and Mrs. Frank Fagan. Brookwood Church was able to reach people in an area where there was no other Southern Baptist church conveniently near for family worship.

Charter members included: Mr. and Mrs. Frank Fagan; Mr. and Mrs. W.L. Rainey; Mr. and Mrs. Jesse L. Cornell; Mr. and Mrs. J.J. Lassiter; Mr. and Mrs. C.R. Hudson; Reverend and Mrs. Guthrie Colvard, and Miss Gail Colvard; Mr. and Mrs. Jake Neeley; Mr. and Mrs. Roy Stanley; Mr. and Mrs. C.H. Flynt; Mr. and Mrs. Vernon Winfrey; Mrs. Sadie Woods; Miss Florence Haddock; Miss Ora Hiatt; Miss Sara Fagan; Mrs. C.H. Browning; Lonnie Brande; Mrs. Inez Williams; Mrs. C.H. Askew; Mrs. E.A. Hoyle; E.A. Hoyle, Jr.; Herman Cornell; Mrs. Mary Mitchell Terrell; and Mrs. D.R. Suggs.

Reverend Colvard served as pastor until October, 1951 when he resigned to accept a pastorate at Clear Creek Baptist Church. At this time Reverend B.L. Gupton was called as supply pastor until Reverend Elmer Cates assumed his duties in September, 1951. He served until June, 1955 when he resigned and organized with Central Baptist Church of Burlington. Other servants of God who have been with Brookwood Church are Reverend Earl Pym from 1955-1959; Reverend Hoyt Roberson from 1959-1972; Dr. Martin Chris White, interim 1972-1975; Reverend Perry Jones from 1975-1978; Dr. Thomas Bland, interim, 1978-1980; and Reverend William Cashman III, who began his services in 1980.

A modern, well equipped education building was erected in 1956 at a cost of \$40,000.00, and an organ purchased in 1959. The church constitution and bylaws were adopted by the membership in 1963. Additional land was purchased from Mrs. Hornaday in 1964 as well as the Suggs property on Davis Street being acquired by the church in 1972. It was a happy day for church members when the mortgage note was burned in May, 1976, denoting forward progress by the congregation.

Brookwood Church realized a strong need in Elon College for a Southern Baptist church so they purchased the M.C. Spoon property in Elon College where a mission was begun. Today that vision is complete in the Elon College Baptist Church.

Miss Ann Foster of our membership was recommended by the church to be licensed into the ministry in 1977. Progress continued to highlight the church activities, and in 1978 five acres of land and the Suggs house were purchased.

From a small beginning with 34 charter members and a budget of \$3,120.00, today the membership of Brookwood Baptist is 167 and they operate on a budget of \$39,201.00.

Mrs. Jeannette Sims serves as W.M.U. director, and the present board of deacons is composed of Jim Walker, Leonard Sims, Ed Hoyle, Preston Keith, Pat Ester, Clinton Fowler, and Freeman Loy.

Three charter members are still active in the church today: Mrs. Alma Winfrey, Mrs. Mable Hoyle Standerwick, and Edward A. Hoyle, Jr.

## Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplicable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:
